

## Q5 Quantum Crystalline Aura

Hello darlings, today we're going to be going into crystalline aura, the beautiful aura that we can activate to be magnifying, you're an amazing essence and also magnetic to everything that you wanna pull to you.

Breathing in and out, send the grounding cord down from the base of the spine to the Center of the Earth setting the body on release and releasing negativity, worry, concern letting it all go and let's pull that aura into eighteen inches around your body and let's go ahead and fill in any holes that are in the aura so you might want to take your spiritual hands and just examine the aura now and just check out are there any holes may be behind you, may be behind your legs, let's go ahead and fill in the aura and make the edge and the aura sharpened fine and sometimes people even imagine Plexiglas on the aura like a protective layer on the outside edge in the aura so that nothing unwanted comes in, so let's go ahead and fill in the any spots that are holes and you can use magic or a spray paint or some wonderful quilting thread, whatever you wanted to do to fill in the aura in the next thing we wanted to do is if there's any dings or dents that would come from arguments or confrontation, let's go ahead and smooth out the edge with your nice and smooth and fill that so much better and then let's go ahead and put our golden vacuum cleaner at the top of the head and under the feet and then it's coming both down, it's gonna meet in the middle those two golden vacuum cleaners, their gonna meet me and middle having cleaned up all of the gunk in the aura and it's feeling so good, feeling so, so good as we're cleaning out the aura and we're going to pay special attention to the outer edge of the aura, things that might have been coming in to your field that you don't want, let's put a blue Corona on the outside edge of the aura and let's go ahead and really flame it up three and four in seven foot flames on the aura and were burning of on the alien information, all of the information that has been coming into you that you're not really interested in having in your space, and continuing to breathe in and out and really beginning to enjoy sitting in your aura, let's imagine now the amplification of this crystalline rainbow aura and so you might notice that the aura is divine that it is a part of you that is so palpable and delicious and that when people are around you and your aura has this crystalline purity this beauty to it they are magnetically drawn into you in the most powerful and wonderful ways of connecting and that you actually your field is magnetic to what you wanna try to you.

So bringing that aura in, in such an amazing way that crystalline aura and amplifying the colors, rainbow colors of blues and greens, yellows, pinks, purples, lavender all the beautiful colors of the rainbow now amplified oranges, peaches beautiful, beautiful colors and you feel a kind of support in clarity and beauty that you might never have felt before even your skin improves because the field surrounding you is now gently loving you it is now giving you the vibration you need to bring your body to amazing health. This beautiful rainbow field is bringing you wealth, bringing you love, bringing you all that you imagine all that you desire, all that you want for.

Breathing in and out and feeling very present to that beautiful crystalline aura coming back into the room, blessings and light on your day of transformation.
