Dealer Advantage

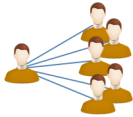

Trim Fat and Win New Business!

You would think we charge to promote your business and sell your product, but we don't. We charge a small commission on every sale and that's it, you only pay us when we sell product! In addition to our deal service, we provide businesses with the unique value added services below:

Brand Recognition

When we run a deal your businesses name and web site are blasted out to all of our followers. Qualify The Deal customers will see your logo, company description, and link to your web site. That's all FREE!

Viral Marketing For Your Business

Every deal purchased from our site requires the customer to "Qualify The Deal". Which is a step in the check out process to share the deal with everyone in their social circle. For example, 100 purchased deals could push your brand via word of mouth to over 13,000+ people for FREE!

Lead Generation

We can help you with lead generation by re-directing customers who completed their purchase to a lead generation page. We design this page to yield the highest lead conversion rate. Customers will be able to like your facebook page, tweet your company, and subscribe to your newsletter.

Focused On...

Providing deals to athletes, parents of young athletes, coaches, and organizations.

Donating To Charity

Qualify The Deal is dedicated to our community. When you feature a deal you're helping a charity involved in the sports community. A portion of the commission we take is donated to charity. You may also elect to donate a portion of the sales to charity also. If you do choose to donate you will be recognized on the deal page for your contributions and will also receive a graphic seal icon to place on your web site.

Deal Submission Guidelines

Definitely easier that two-a-days.

The following guidelines apply to all deals submitted through our Business Tools portal. Qualify The Deal reserves the right to reject a deal submission that does not adhere to our “Deal Submission Guidelines”. We reserve the right to deny any deal submission for any reason.

An account executive will review your deal submission and will mark it approved or disapproved. You will be notified of this action via email. If the deal you would like to submit does not abide by the guidelines below, then it will be disapproved.

We're happy to help you a long the way, if you have any questions please contact deals@qualifythedeal.com.

Deal Submission Guidelines

Discounting Your Product

Your inventory must be discounted somewhere from 50% to 80% off MSRP. We research each products true MSRP to verify the discount percentage falls with in the specified range above.

Item Condition

Every deal featured on Qualify The Deal must be in new condition.

Product Type

Only sports and fitness related products may be featured as a deal.

Shipping the Product

Once the deal ends, you will be notified immediately of what product and how many need to be shipped. The product from your store or facility must be shipped to our fulfillment facility within 24 hours of deal close. **Deal product not shipped within 24 hours will incur an additional 10% commission surcharge.**

All shipments should be sent to:

How To Feature a Deal

Our step-by-step guide to featuring a deal.

All right, you're ready! Lets get started featuring a deal. It's quickest way for you to generate revenue and spread your brand virally across the internet!

Step 1:

Locate the following bulleted pieces of information:

Note: You will need this information when you submit a deal on www.qualifythedeal.com/business-tools/deal-submission.php. Make sure you read our deal submission guidelines on Page 3 if you haven't done so already.

- ✓ Product Name
- ✓ Product Model Number
- ✓ Product Category
- ✓ Quantity To Be Sold In Deal
- ✓ Individual Product Deal Price
- ✓ Product MSRP
- ✓ Preferred Date To Run The Deal

Step 2:

Submit your deal for review by visiting www.qualifythedeal.com/business-tools/feature-a-deal.php

Step 3:

Your deal submission will be approved or disapproved within 48 hours. An account executive will contact you to finalize the deal, prepare you, and answer any questions you have.

Step 4:

Once approved, your deal will be set up in our deal queue. During this step you should set aside the product to be used in the deal.

Step 5:

Your deal will run for 24 hours. Once the deal timer has expired after 24 hours, we'll notify you immediately. We will email you instructions on the next step and how many products to ship to our fulfillment facility. We pay for the shipment from your location to our fulfillment center. We also pay for the shipment to our buyer.

Step 6:

Payment for product sold will be initiated on the 15th and 30th of every month.
