

# Connector Identification and Wire Harness Routing

Connector or Terminal	Number of Cavities/ Color	Location	Connects to	Notes
-----------------------	---------------------------	----------	-------------	-------

## Main Wire Harness (Right Branch)

NOTE: See page 203-16 for connectors C352 through C370.

C151	20-BRN	Behind right kick panel	Engine compartment wire harness	A/T
C152	5-BRN	Behind right kick panel	Engine compartment wire harness	
C346	2-GRY	Under left side of dash	A/T kick-down switch	
C347	5-YEL	Under left side of dash	SRS main harness	
C348	20-BLK	Under middle of dash	Junction connector	M/T
C349	2-GRY	Behind right kick panel	Diode (For reverse lockout system)	
C350	12-BLK	Under middle of dash	Fan control unit	A/T
C351	26-BLU	Under right side of dash	PCM	
C371	2-GRY	Under right side of dash	Right footwell light	LS
C372	2-BRN	Under right side of dash	Blower wire harness	
C373	14-GRY	Behind right kick panel	Cruise control unit	Option
C374	8-BLK	Behind right kick panel	Radiator fan control module	
C375	20-GRY	Behind right kick panel	Main wire harness	
C377	2-GRY/BLU	Behind right kick panel	Cellular phone system	
C378	2-GRN	Behind right kick panel	Service check connector	
C379	20-BRN	Behind right kick panel	Junction connector	
C381	20-BLU	Behind right kick panel	Dashboard wire harness	
C383	16-GRY	Right front door	Passenger's door wire harness	
C384	8-GRY	Right front door	Passenger's door wire harness	
C385	3-BRN	Right front door	Passenger's door wire harness	
C386	26-GRY	Under right side of dash	ECM (M/T) or PCM (A/T)	'93
C387	22-GRY	Under right side of dash	ECM (M/T) or PCM (A/T)	
C388	16-GRY	Under right side of dash	ECM (M/T) or PCM (A/T)	
C389	12-GRY	Under right side of dash	ECM (M/T) or PCM (A/T)	
C390	20-ORN	Right floor	Main wire harness (Right side branch)	
C390	22-ORN	Right floor	Main wire harness (Right side branch)	
C391	18-GRY	Right floor	Main wire harness (Right side branch)	
C391	20-GRY	Right floor	Main wire harness (Right side branch)	
C392	16-GRY	Right floor	Main wire harness (Right side branch)	'94
C393	7-BRN	Right floor	Main wire harness (Right side branch)	
C413	3-YEL	Behind right kick panel	SRS main harness	USA M/T
C428	2-CAVITY	Behind right kick panel	Diode (For DPMS)	
G303		Behind right kick panel	Body ground, via main wire harness
