

Connector Identification and Wire Harness Routing

Connector or Terminal	Number of Cavities/ Color	Location	Connects to	Notes
-----------------------	---------------------------	----------	-------------	-------

Blower Wire Harness

C372	2-BRN	Under right side of dash	Main wire harness	
C540	6-GRY	Under right side of dash	Dashboard wire harness	
C643	4-WHT	Under right side of dash	Blower motor HIGH relay	
C644	4-WHT	Under right side of dash	Blower motor relay	
C645	2-BRN	Under right side of dash	Blower motor	
C646	4-YEL	Under right side of dash	Recirculation control motor	
C647	3-BRN	Under right side of dash	Power transistor
