

# THE GARDENER AND THE KING

**Message Date:** October 3, 2021 (Week 3)

## **CONNECT**

Share one highlight and one lowlight from the week behind you.  
Say how you hope God will help you grow through your time together.

## **DISCUSS**

Read 1 Corinthians 12:12–27. Think of the ways the church serves one another.

- Describe a time when you've served someone. What was that like?
- Why does it feel good when you serve another person?

## **Serving within the Church**

- Have you ever served on a team or for an event at Renaissance Church or at a previous church?
- Tell people about your experience serving.

## **Gifts**

- What gifts has God given you?
- How might you use them to serve someone or in some capacity at the church?

## **Recognizing Gifts in Others**

- Talk the gifts you see in others in your group.
- Encourage others by telling them what gifts you see them using to serve the church or others outside the church.

## **PRAY**

Thank God for the people who have served you. Ask God to give you eyes to see how he wants to use your gifts to serve others.
