

How to Use Retro Supply **PAPER TEMPLATES**

STEP 1:

Open the Layers Panel.

This is your paper layer.

Do not touch or unlock this layer.

STEP 2:

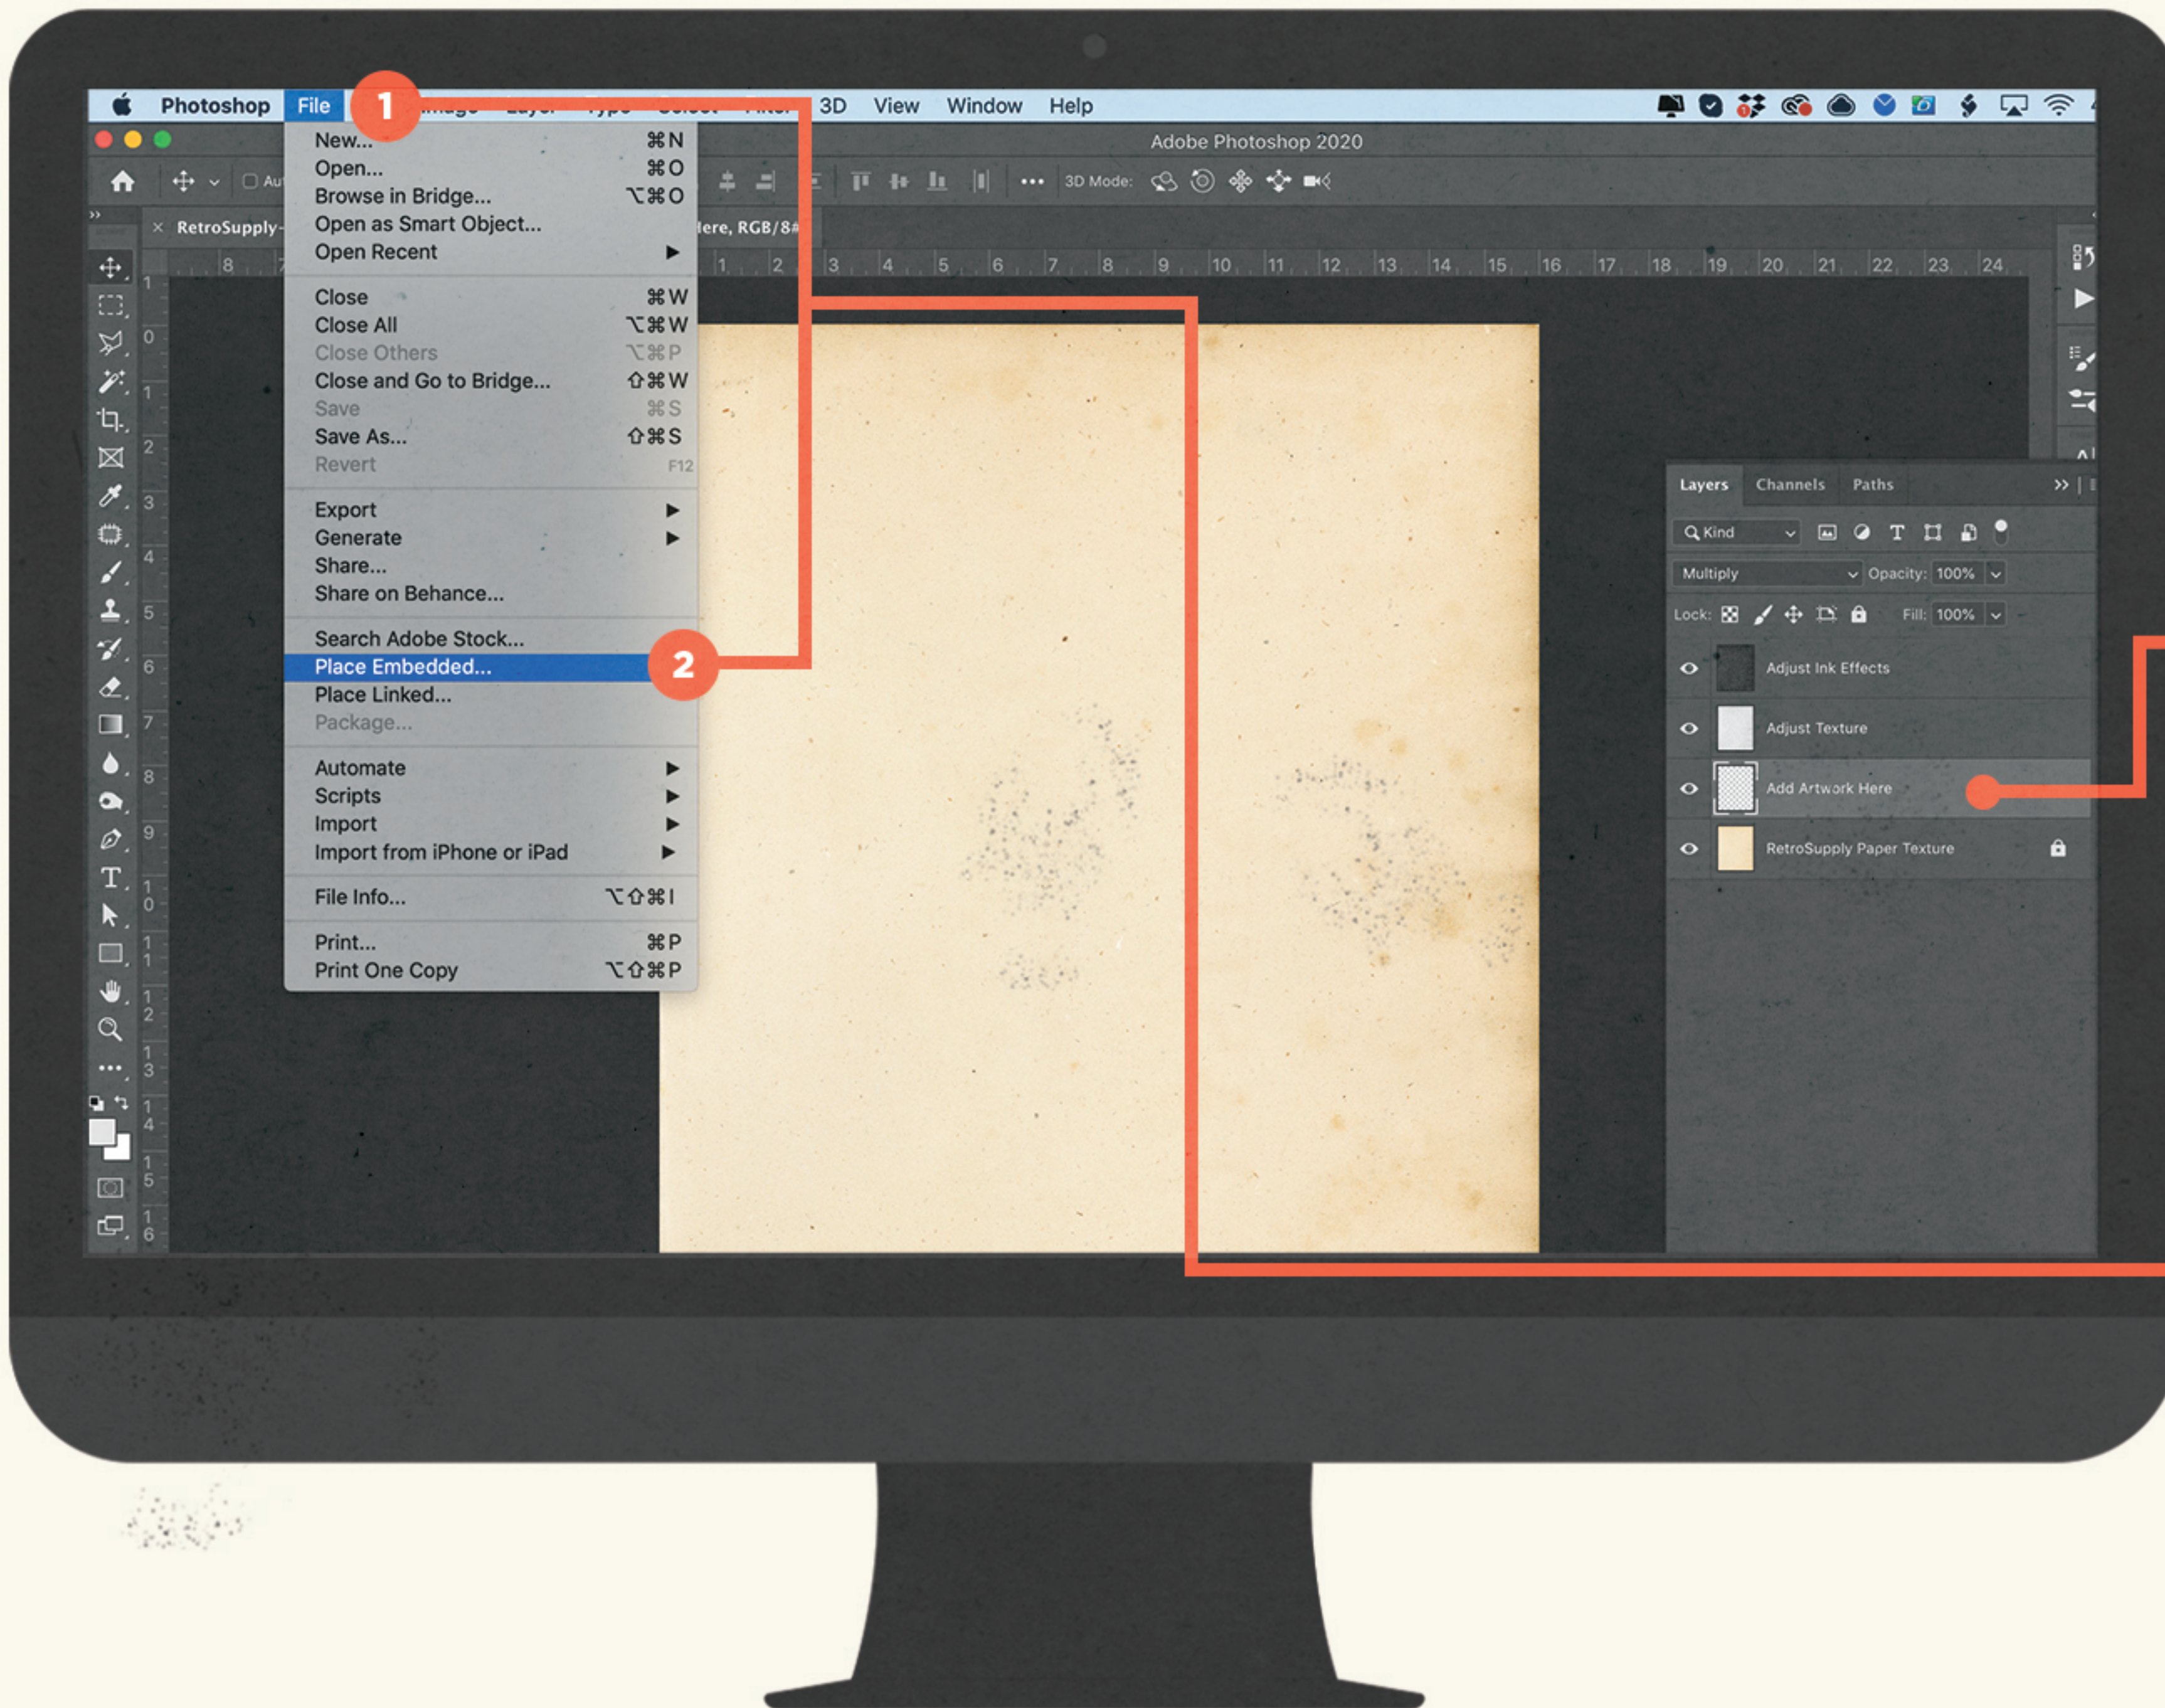

Add your artwork to this layer.

You can either:

A. Draw directly on this layer.

B. Click File>Place.

Place your chosen artwork on the canvas.

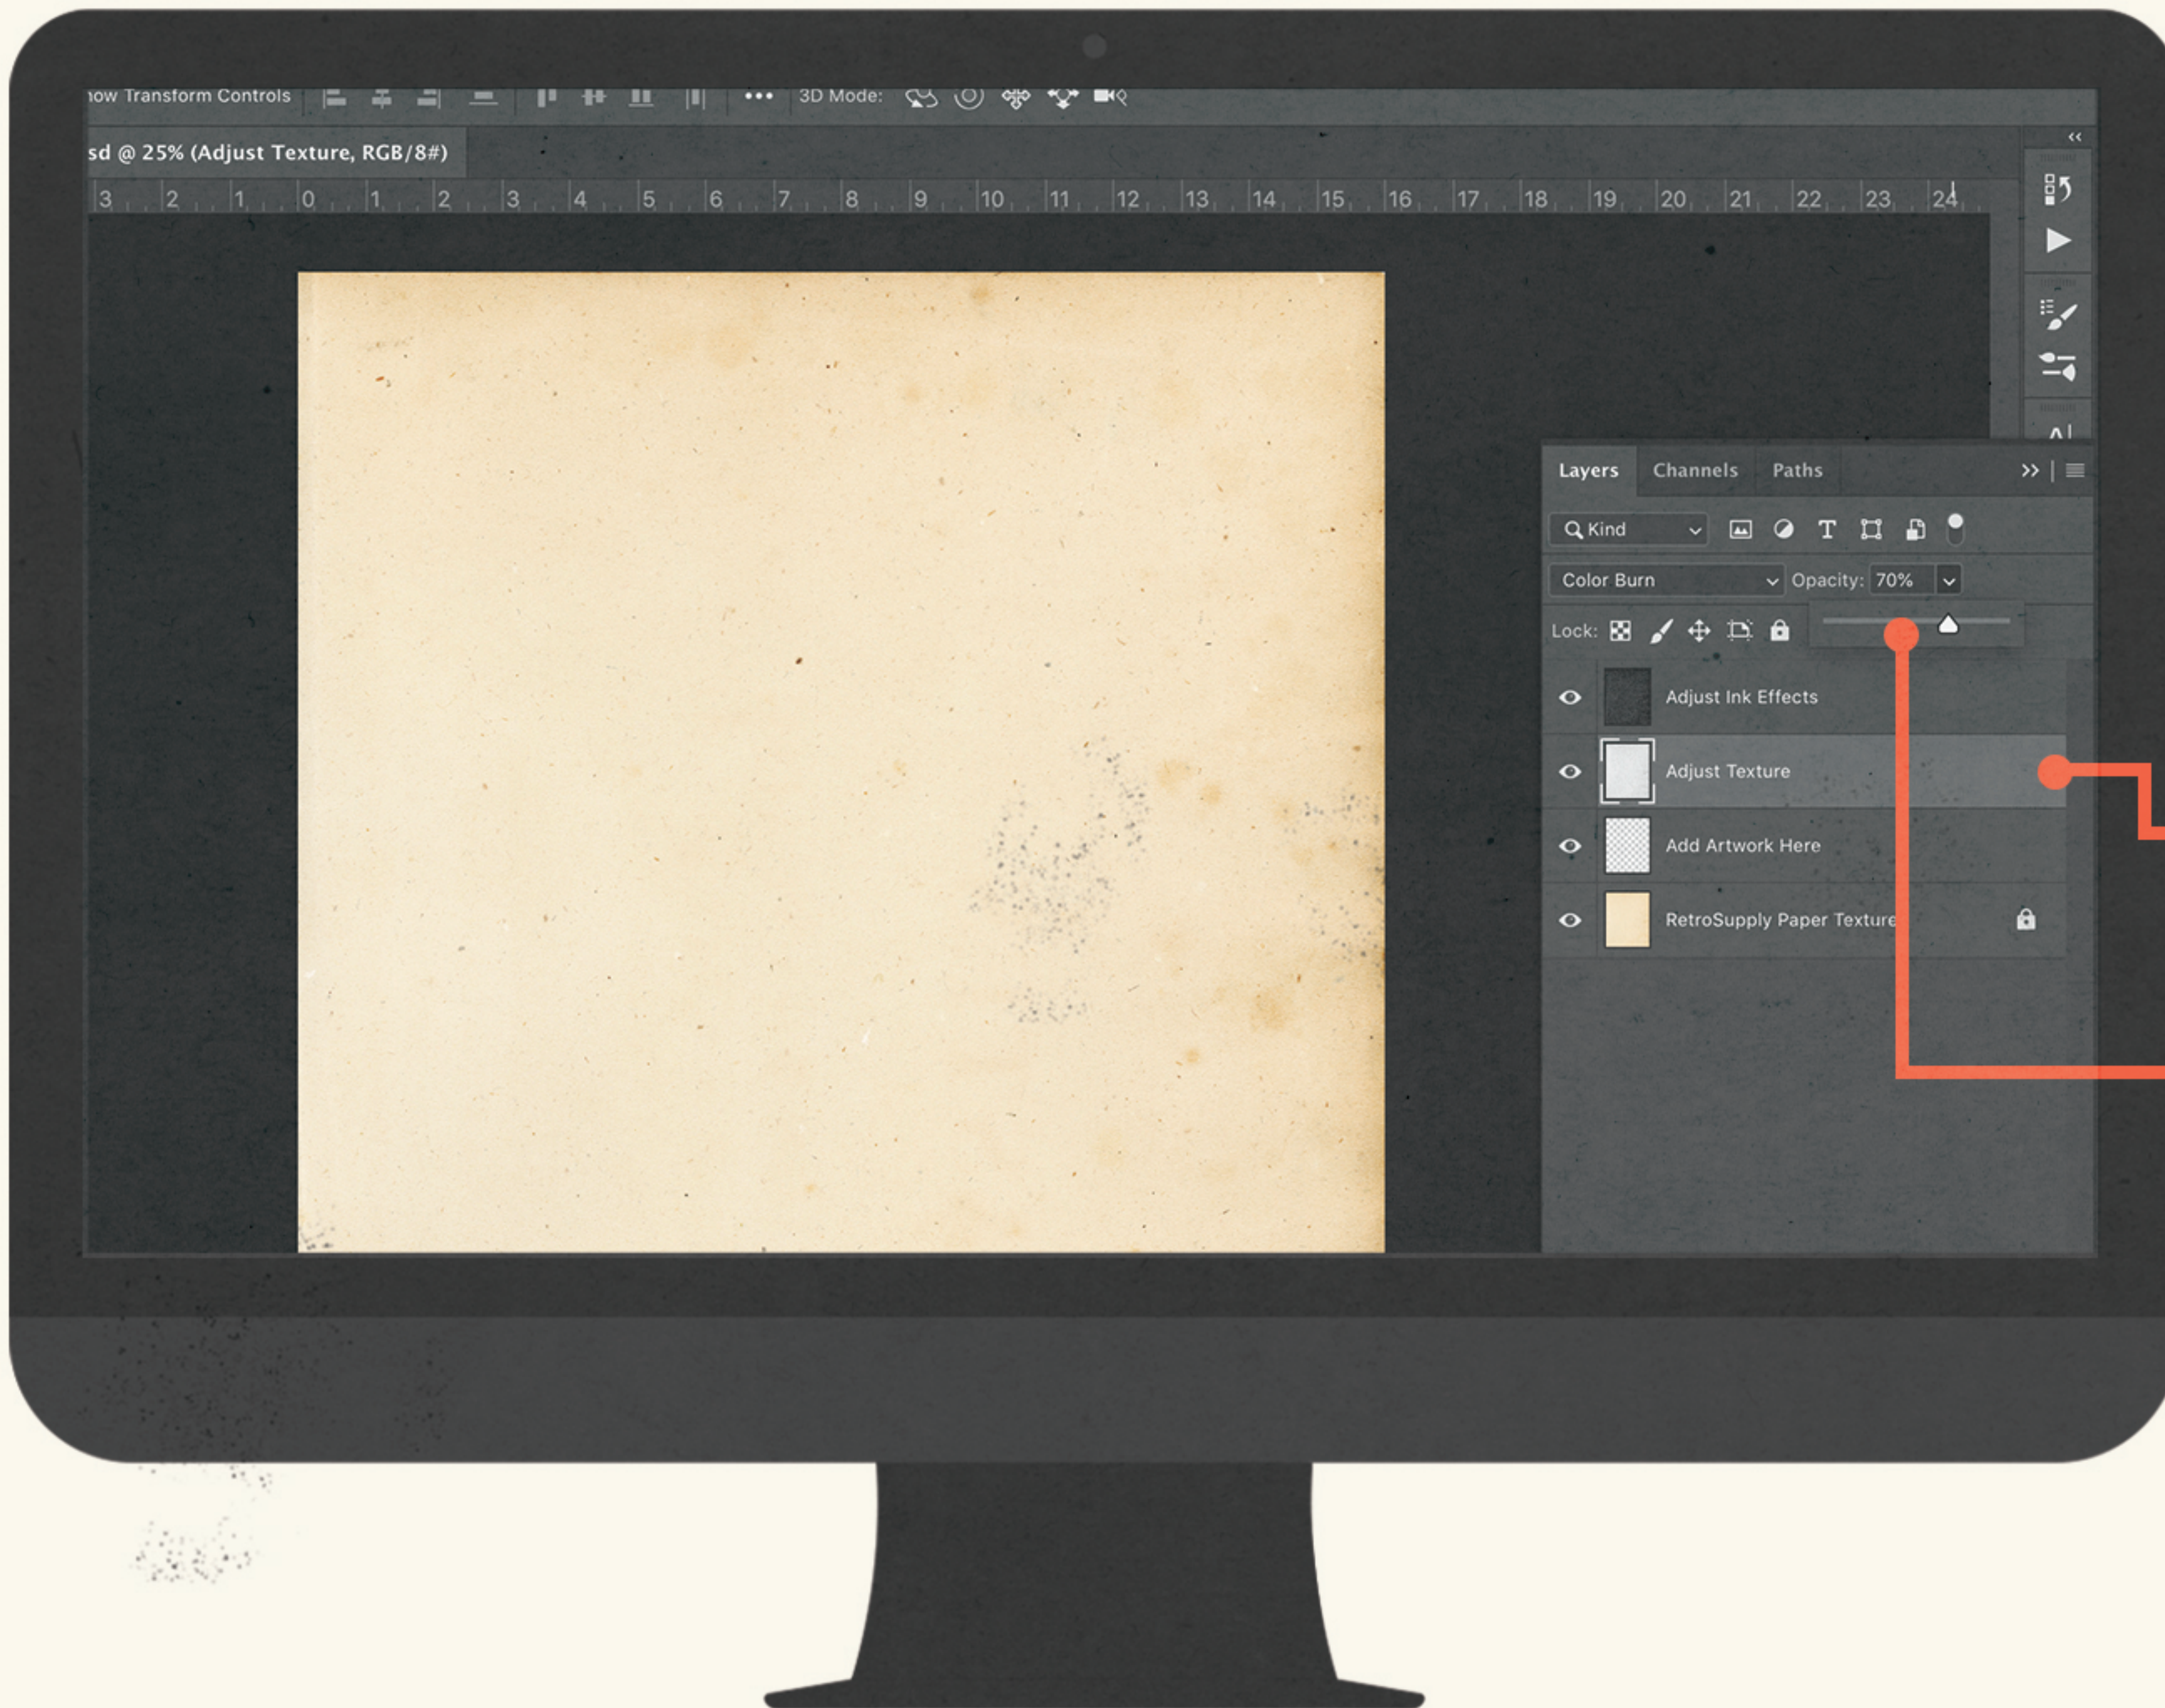

STEP 3:

Adjust texture intensity.

Choose the Adjust Texture layer.

Adjust the Opacity by moving the slider.

STEP 4:

Adjust ink effects
and fade.

Click the Adjust Ink
Effects Layer.

Adjust the Opacity by
moving the slider.
