REGULATORY EXEMPTIONS CLAIMED

Based on any of the following criteria, dental business may qualify for an exemption from the requirements of 40 CFR Part 441 including: amalgam separator installation and maintenance requirements; and implementation of prescribed best management practices. Mark the check box and include your initials to certify each exemption claimed. If claiming an exemption, you may proceed to the Compliance Certification section.

- "The dental business identified exclusively practices one or more of the following dental specialties: oral pathology, oral and maxillofacial radiology, oral and maxillofacial surgery, orthodontics, periodontics, or prosthodontics."
_____ (initials).
- "The dental business identified conducts all dental services from one or more mobile units (defined as a specialized mobile self-contained van, trailer or other equipment used in providing dentistry services at multiple locations)."
_____ (initials).
- "The dental business identified collects all dental amalgam process wastewater for transfer and hauling to a Centralized Waste Treatment facility as defined in 40 CFR 437."
_____ (initials).
- "The dental business identified does not place or remove dental amalgam, except in limited emergency or unplanned, unanticipated circumstances (according to the rules this means that, on average, less than 5% of the removal procedures involve dental amalgam, and that the business does not stock amalgam capsules or accept new patients with amalgam fillings)."
_____ (initials).
