To create the I Love Your Smile Layout:

1. Use the two sheets of Kraft Stripes paper for the base of this double page layout.
2. Gather the two 5 ¼" x 12" pieces and the two ½" x 12" strips from the Devotion paper. Adhere one 5 ¼" x 12" piece polka dot side up to the bottom left side of the layout. Add the second polka dot piece to the bottom right side **BUT** only add adhesive on the bottom edge and sides not the top (this is a large POCKET!). Add the two ½" x 12" striped pieces along the top of both polka dot papers.
3. Locate the 9" x 12" Smitten paper and fold it in half with the flowers and lined paper on the front. The folded piece will measure 9" x 6". Round the bottom corners. Adhere the flap on the left page 1 ¼" from the left side and 3/8" from the top of the page. Open the flap and add the large inked circle to the top left corner. To complete the front to of the flap, add 3D foam adhesive to the "True Love's Kiss" round sticker and add it on top of the inked circle. Add a piece of red Baker's Twine along the bottom edge of the top flap and tie a bow. (hint: punch a ½" circle on each side of the flap and place the twine inside to hold it in place) Add the 3" x 3 ½" Red tweed mat ½" from the top of the flap and 3/8" from the right side. Add the Kraft Layers Arrows and spell the title with the letter stickers.
4. Add the three Heart Throb (red x's & o's) 3" x 4" cards and the three Good Stuff (black numbers) 3x4 cards along the bottom of the two page spread, 3/8" from the bottom with ¾" in between the cards.
5. Layer the inked and stamped Kraft Layers on every other 3" x 4" card. Add the plane tab, arrow paperclip and medium arrow Kraft Layers to the other cards. Add stickers with 3D foam adhesive and attach the Burlap arrow and stars.

6. Adhere the "Love " ticket to the top left corner of the floral side of the 6" x 9" piece of Love letter paper. Fold a French Label Kraft Layer in half and add it to the top of the 4" x 10" Red Tweed paper. Add the large red flower sticker to the top. Create a "tag" shape at the top of the 6 ½" x 11" striped Devotion paper by measuring 1 ½" from the top and from the side of each corner, line up the measurements and trim off the corners. Add the three papers inside the large pocket on the right page.
7. Add the 6" x 4" Red Tweed mat to the inside left of the top flap on the left page. Add the "So Happy Together" sticker to the top left corner of the mat. Add the 5 ½" x 5 ½" polka dot Devotion paper to the left on the bottom page of the flap and add two 2"x 2" Red Tweed mats to the right.
