Dear Peter and Shipping Agents

SUBJECT: PROCEDURE FOR HEALTH RISK ALERT – COVID-19

As you are aware there has been an increase in the number of Covid-19 cases in South Africa, and to safeguard South African Ports against the exposure by visiting vessels, it is imperative that all crew aboard vessels coming into the Port of Richards Bay are tested before entering the Harbour. The crew of the vessel will be expected to undergo a PCR test and not the rapid test.

Yours sincerely

CAPTAIN GUGU DUBE

Harbour Master
