**THE STEIN MART FAIR PRICING POLICY**

• We strive to offer the lowest everyday value. Our "Compare at" prices are based on suggestions. In fact, we believe it represents the original price of the item or comparable item at discount stores, specialty stores or other full price stores. Our "Compare at" price may not be the starting price posted by all full price stores, and some stores may offer substantial discounts off the suggested retail price.

• We ship complimentary merchandise and feature low "hot" values - even when compared to "hot" sale or "discounted" prices at department and specialty stores.

• When we advertise a price as "100% Off" it has been reduced by 100% from our initial everyday value price. The base price is calculated from our initial price, although we may have taken intermediate markdowns.

• Some items not included unless specified. Styles and colors will vary by store.

• Some merchandise may not be available at all stores. Prices valid 11/9/12.
