THIRD AMENDMENT
TO THE
BARRY TOWNE
TAX INCREMENT FINANCING PLAN

I. Introduction

The Third Amendment to the Barry Towne Tax Increment Financing Plan (hereinafter the “Third Amendment”) shall amend the Barry Towne Tax Increment Financing Plan, as approved by the City Council of Kansas City, Missouri by Ordinance No. 960307 (referred to herein as the “Plan”), and Ordinance No. 011203 (referred to herein as the “First Amendment”), and Ordinance No. 040807 (referred to herein as the “Second Amendment”).

The Third Amendment provides (a) for a modification to the legal description of the Redevelopment Area, (b) the elimination of all improvements contemplated by or funded with tax increment financing generated by Redevelopment Project Areas: VIII and IX, (c) for a modification to the legal description of Project Area VI, and (d) for a modification to the legal description of Project Area X. The Third Amendment does not alter or modify the intent of the Plan, as amended, except for those changes specifically mentioned herein.

I. Specific Plan Text Amendments

The Barry Towne TIF Plan shall be amended as follows:

Amendment No. 1: Delete Section I.A of the Plan, entitled, “Summary”, and replace it with the following:

A. Summary. The Barry Towne Tax Increment Financing Plan (the “Plan”) calls for the construction of approximately 1,775,957 square feet of commercial/retail space, 31,800 square feet of recreational space for an athletic facility (YMCA), 696 multi-family residential units, and 114,957 square feet of office space together with parking and appurtenances, as well as all necessary utilities and street improvements necessary to adequately address the conditions qualifying the Redevelopment Area as an Economic Development Area.

Amendment No. 2: Delete Section I.B of the Plan, entitled, “Redevelopment Area”, and replace it with the following:

B. Redevelopment Area. The Redevelopment Area consists of approximately 345 acres generally located at the intersection of U.S. Route 169 and N.W. Barry Road and described as being generally bounded by U.S. Route 169 on the east, the extension of 80th Street on the South, Missouri Route 152 on the north, and N.W. Stagecoach Road (north of N.W. Barry Road) and Hickory Road (South of N.W. Barry Road) on the west (the “Redevelopment Area”) in the
that portion of Kansas City, Missouri (the “City”) located in Clay County, and as described on Exhibit 1A attached hereto.

Amendment No. 3: Delete the first paragraph of Section III.B., entitled, “Economic Activity Taxes” and replace it with the following:

Over the life of the Plan, the total Economic Activity Tax revenues are estimated to be approximately $213,703,180. Of the total additional revenue from taxes imposed by the municipality or other taxing districts and which are generated by economic activities within the Redevelopment Project Areas, as defined in Section 99.845.3, fifty percent (50%), or approximately $106,851,590 over the life of the Plan, will be made available upon annual appropriation, to pay eligible Redevelopment Project Costs. Those Economic Activity Taxes available to pay project costs are shown in Exhibit 6.

Amendment No. 4: Delete Section XVI, entitled, “Design Review Process”, in its entirety.

Amendment No. 5: Delete Section XXII, entitled, Additional Financing Conditions”, and replace it with the following:

This Plan contemplates the City creating a neighborhood improvement district (“NID”) pursuant to Sections 67.453, et seq. of the Revised Statutes of Missouri. It is anticipated that all or part of the Reimbursable Project Costs shown on Exhibit 4 will be paid with the proceeds of bonds that are secured with special assessments imposed by the NID. Reimbursable Project Costs shall include assessments imposed on property within the Redevelopment Area and other costs associates with a NID.

This Plan further contemplates that the City will enact ordinances and enter into agreements with the Developer pursuant to which the City shall commit that, if for any reason this Plan is not valid or economic activity taxes are not available to be used to pay Reimbursable Project Costs, the City shall annually appropriate an amount sufficient to pay Reimbursable Project Costs from all tax revenues received by the City which would have been Economic Activity Taxes payable to the special allocation fund.

If permitted by law, the assessments levied on property located within the Redevelopment Area and NID may be paid directly from the Special Allocation Fund to the City upon submission of documentation satisfactory to the TIF Commission evidencing the amount of the NID assessments paid. If the funds in the Special Allocation Fund are not sufficient to pay the total amount of NID assessments levied in a given year on property located within the Redevelopment Area and NID, then such assessment shall be reimbursed proportionately to the owners by the TIF Commission (or, if paid directly to the City from the Special Allocation Fund as permitted by the Redevelopment Agreement between the TIF Commission and Pedcor Investments LLC, then paid to the City proportionately
on behalf of each owner). For example, if the balance in the Special Allocation Fund at the time the NID assessments imposed on property located within the Redevelopment Area are submitted for reimbursement equals $100,000 and the total amount of such NID assessments submitted for reimbursement equals $400,000, then every owner will be reimbursed (or the City will be paid on behalf of each owner) $1.00 for every $4.00 of NID assessments. However, to the extent that there are excess funds in the Special Allocation Fund in subsequent years, all property owners located within the Redevelopment Area that did not receive reimbursement for the entire amount of the NID assessments shall be entitled to reimbursement of such owners’ proportionate share of the excess from the TIF Commission for any previous year’s shortfall. After the NID assessments are levied, reimbursement of the NID assessments imposed on property located within the Redevelopment Area and funding a debt service reserve equal to two times the annual debt service shall have priority over all other requests for reimbursement from the Special Allocation Fund.

Amendment No. 6: Delete Exhibit 1A, “Legal Description of the Redevelopment Area”, and replace with Exhibit 1A, entitled, “Legal Description of the Redevelopment Project Area” attached hereto.

Amendment No. 7: Remove Redevelopment Project Areas VIII and IX from Exhibit 1B, “Legal Description of the Redevelopment Project Areas”.

Amendment No. 8: Delete Redevelopment Project Areas VI and X from Exhibit 1B, “Legal Description of Redevelopment Project Areas” and replace such removed descriptions with the following:
