Date Ordinance No.

Attached herewith is a true and correct copy of the First Amendment to the Brywood TIF Plan that was approved by the Tax Increment Financing Commission of Kansas City, Missouri by Resolution No. 3-02-10 on March 10, 2010.

Chairman
I. **Introduction**

This First Amendment to the Brywood Centre Tax Increment Financing Plan (the “First Amendment”) is intended to amend the Brywood Centre Tax Increment Financing Plan as approved by Committee Substitute for Ordinance No. 070943 (referred to herein as the “Plan”). The First Amendment alters the Plan in the following: (a) modifies the Project Redevelopment Area Plan to include new pad sites within Project 1, (b) modify the Estimated Redevelopment Costs described by the Plan, and (c) modify the Redevelopment Schedule. To the extent the Plan varies with the First Amendment, said Plan shall be amended and superseded thereby. Except for those specific amendments set forth herein, the Plan remains unchanged and shall remain in full force and effect.

II. **Plan Text Amendments**

In accordance with this First Amendment the Plan shall be amended as follows:

**Amendment No. 1** Exhibit No. 2 B of the Plan, entitled “Site Plan Redevelopment Projects” shall be amended with the addendums attached hereto behind Tab 2 B.

**Amendment No. 2** Exhibit No. 5 of the Plan, entitled “Estimated Redevelopment Costs and Schedule” shall be amended with addendum attached hereto behind Tab 5.

**Amendment No. 3** Exhibit No. 7 of the Plan; entitled “Projects Sources of Funds for All Estimated Redevelopment Project Costs” shall be amended with addendum attached hereto behind Tab 7.

**Amendment No. 4** Section V A of the Plan, “Estimated Redevelopment Projec: Costs,” shall be amended with the following:

Estimated Redevelopment Project Costs are projected to be $30,692,927 and the costs of permanent financing are $51,402,144, as shown in Exhibit 5A. The Plan proposes the total Redevelopment Project Costs reimbursable from Statutory TIF Revenue be approximately $5,596,705 plus the costs of permanent financing of $9,381,290.

The Reimbursable Redevelopment Project Costs would be paid from the Special Allocation Fund made up from the Statutory TIF Special Allocation Fund. Estimated Redevelopment Project Costs and costs eligible for reimbursement from the Special Allocation Fund are identified in Exhibit 5A.

The Commission has determined that certain administrative costs and expenses of the Commission which are not direct Redevelopment Project Costs are nonetheless reasonable and necessary for the operation of the Commission and are incidental costs to administering the Plan. These administrative costs and expenses will be recovered by the Commission from the Special Allocation Fund in an amount not to
exceed five percent (5%) of the Payments in Lieu of Taxes and Economic Activity Taxes paid annually into the fund.

A short narrative should follow Exhibit A indicating how the application addresses the factors indicated by the Developer. The task force report contains the following observation regarding the 22 factors:
