

Teak Isle Mfg. introduces new Yeti cooler top cutting boards

Ocoee, Fla. - Oct. 2, 2016 - Teak Isle Mfg. will introduce their new the Yeti cooler top cutting boards at the IBEX show Oct. 4-6.

With the new Yeti cooler top cutting boards from Teak Isle Mfg., boaters can protect their expensive cooler tops when cutting bait or cleaning fish.

These cutting boards are easily installed and removed in seconds requiring no modification to the cooler.

Boards are constructed from UV stabilized King Starboard and feature an integrated measuring stick for checking your latest catch. Shims are also included to accommodate coolers with SeaDek pads.

Custom designed models are available to fit Yeti 35, Yeti 45, Yeti 50, and Yeti 65 quart coolers.

In addition to cutting boards and accessories designed to fit the Yeti brand, Teak Isle also offers cutting boards and accessories for other cooler brands such as Engel, Dakota and K2.

For more information, visit the Teak Isle website at www.teakisle.com or visit booth 521 at the IBEX show.

###

Teak Isle Mfg. is the trusted source for CNC cut OEM plastic and wood component parts for over 200 boat builders. Products include cabin entry doors, laminated cabinetry, Corian countertops, access doors, bent acrylic sliding doors, and King Starboard HDPE parts. In addition to offering complete OEM sliding door and screen door assemblies, Teak Isle offers replacement roller wheels assemblies and tracks on our new retail website www.boatoutfitters.com. Our in house engineering staff is available to work with you to design the best parts to fit your applications.
