

Teak Isle Mfg. introduces new Pontoon rail mount Bluetooth speaker and phone holder

Ocoee, Fla. - Oct. 2, 2016 - Teak Isle Mfg. will introduce their new product, the Pontoon rail mount Bluetooth speaker and phone holder, at the IBEX show Oct. 4-6.

The Pontoon rail mount Bluetooth speaker and phone holder from Teak Isle offers a convenient safe place to store your Bluetooth speaker and cell phone while on board.

The holder simply locks over the rail with no needed tools and securely holds a speaker and phone with elastic retaining straps.

They are manufactured from UV resistant King Starboard with stainless steel hardware to withstand the harshest marine environments.

For more information, visit the Teak Isle website at www.teakisle.com or visit booth 521 at the IBEX show.

###

Teak Isle Mfg. is the trusted source for CNC cut OEM plastic and wood component parts for over 200 boat builders. Products include cabin entry doors, laminated cabinetry, Corian countertops, access doors, bent acrylic sliding doors, and King Starboard HDPE parts. In addition to offering complete OEM sliding door and screen door assemblies, Teak Isle offers replacement roller wheels assemblies and tracks on our new retail website www.boatoutfitters.com. Our in house engineering staff is available to work with you to design the best parts to fit your applications.
