

WELCOME TALK

Encourage Guests To Use Either A Digital or Traditional Connection Card

Welcome! I am glad you are here and chose to spend this weekend with us! My name is Adam and I am apart of the welcome ministry at City Church. My family and I have been here for 3 years and love being a part of this amazing community.

Our church is focused on and dedicated to building up strong christian families and hopefully you will see and experience that as you worship with us today! A recent example of how we are striving to build up families is the parent workshop we had this last week.

As I mentioned a moment ago, I am glad you are here with us! If you are a first time guest, we would love to connect with you! We know everyone prefers a different method of communication so you can either fill out a connection card in the seatbacks in front of you and drop it in the offering plate later in the service, or take out your phone and text the word Welcome to 816-482-3337. We hope to provide you important information about our church, open a personal line of communication, and give you everything you need to see if this place is a good fit for you!

By texting us or filling out that card we will be able to stay in contact with you. Again, just text Welcome to 816-482-3337 so that we can say Hi and be able to say thank you for visiting!

Again, Welcome and if you have any questions please stop by the Welcome center, and Stephanie would love to chat! She also has a free gift for you!
