

WELCOME TALK

Encourage Guests To Use A Traditional Connection Card

Welcome! I am glad you are here and chose to spend this weekend with us! My name is Adam and I am apart of the welcome ministry at City Church. My family and I have been here for 3 years and love being a part of this community.

Our church is focused on and dedicated to serving the world around us and hopefully you will see and experience that as you worship with us today! A recent example of how we are striving to serve is the canned food and clothing drive we hosted this month.

As I mentioned a moment ago, I am glad you are here with us! If you are a first time guest, we would love to connect with you! You will find a white connection card in the seatbacks in front of you, simply fill it out and drop it in the offering plate later in the service. We simply want to connect and help you find the right church home, whether or not City Church is the right place for you, so by providing your information we can get you important information about our church, as well as open a personal line of communication, and give you everything you need to see if this place is a good fit for you!

Again, Welcome and if you have any questions please stop by the Welcome center, and Stephanie would love to chat! She also has a free gift for you!
