How To Introduce Text In Church To Your Congregation

At City Church, we are always striving to more effectively communicate. And we know that every person here prefers different methods of communication.

So... because of this we're starting a new avenue of communication through text messaging. Occasionally, we'll send updates and info about the life of the church.

If you'd like to stay in the loop all you have to do is text CONNECT to 816-482-3337 or simply check the box on your connect card. I invite you to take out your phones... right now, go ahead and take them out, and text CONNECT to 816-482-3337.

If you have already provided your phone number be sure to save this number to your phone so your recognize it when we send you a message. Again it's 816-482-3337.

Feel free to contact us with prayer requests or any questions you may have.
