How To Invite Your Congregation To Sign Up For A Ministry Area

At City Church, there are many different ministries that you can get involved in! If you are interested in getting announcements of upcoming events and opportunities to get involved, all you have to do simply text the right keyword to our City Church Text Line.

So, if you are interested in women's ministry text WOMEN to 816-482-3337. If you are interested in Men's ministry, text the word MEN to 816-482-3337. You will see a list of the specific keywords if you open up our bulletin.

If at any time you would like to stop receiving announcement for that ministry, just text in saying "Hey! I would like to stop receiving women's ministry announcements!" And we will remove you from that group.

If you have questions you can either ask them by texting this number, or head to our welcome center after the service and we can help you get signed up!
