About: The Fossil 50 will start at Solavaca Ranch. Do a start loop, then lap of single track in normal direction. Take a long route of country roads to Dinosaur Valley State Park for a challenging large loop of single track and fire roads. Then back short route of FM roads to Solavaca Ranch for a reverse loop on single track. All miles are approximate: Exact route will have turn-by turn direction and mileage. This is a Rain or Shine event and route may be altered dependent on weather.

Classes & Awards: Men OPEN, Women Open, Men 40+, 50+, 60+, and Single Speed. Top 3 in each class will be recognized and Top 10 overall (regardless of age or gender) will be given cash and/or prizes. *We will also have a merchandise **raffle** for **all** participants. *

AID Stations: 2 neutral aid stations will have mechanical support/ WATER/ and snacks. You will see Aid Station 1: Approx. at mile 8 and 42. Aid station 2: Approx. at mile 20 and 36. Aid station 2 will have drop bag available (must provide own drop bag)

Other Notes: Dinosaur Valley has not been used as a competitive area. This trail is more rugged than your average Texas trail and will provide challenges both technically and with elevation change. **PLEASE be courteous** to all trail users and park staff. This is a huge opportunity to show the class of cyclist. Please do so. Follow race course markings.
