About the Kearsarge Klassic Dirt Road Randonnee:

The Kearsarge Klassic Dirt Road Randonnee is a mostly dirt loop in central New Hampshire. The longest route traverses the towns of Bradford, Sutton, Warner, Webster, Andover, Danbury, Alexandria, Enfield, Springfield and New London and includes some of the most scenic roads in New Hampshire. Two shorter routes, which are also scenic, are offered as well. Although the roads are well-maintained dirt roads, a cyclo-cross bike, tire width 28mm or greater, and spare tubes are strongly recommended for the 59 and 86 mile routes. For those riders seeking additional hills or mileage, there are optional unsupported add-ons for both the 59 and 86 mile routes. The routes go by a number of properties protected by the Ausbon Sargent Land Preservation Trust. No prizes will be offered and the event will not be a timed event. The event is a fundraiser for Ausbon Sargent and it is hoped that it will contribute to its efforts to preserve and protect land in a spectacularly beautiful part of New Hampshire.

Registration and Directions:

The event is limited to 200 participants. Riders may register for the event on <https://www.bikereg.com> or by mailing this flyer with the name of the rider, the address, the category, and a check made out to NHCC to: NHCC, 6 Ridge Road, Concord, NH 03301.
