

USA CYCLING ATHLETE NOMINATION WORKSHEET

2017 WORLD BMX CHAMPIONSHIPS – CHAMPIONSHIP CLASS

July 25-29, 2017 – Rock Hill, SC, USA

AUTOMATIC QUALIFICATION INFORMATION

Below you will find information on how a rider can “automatically” qualify for nomination to the 2017 World Championship BMX Team. In cases where there are still available start positions after the automatic qualification process, those positions may be filled via discretionary nominations according to the USAC discretionary selection procedures. More information regarding USAC discretionary selection procedures can be found in the “General Team Selection Information” document on the USAC website.

GENERAL INFORMATION

USA Cycling (USAC) will nominate, select and manage all athletes and staff who participate within the Elite Supercross Race Program. USAC will also manage and coordinate all aspects of the team travel, and all on-site logistics and housing for these events. All athletes and staff who are part of the USA Cycling “Elite Supercross Race Program” delegation for these events in the specific categories for which USA Cycling listed in the *Financial Responsibility* section (below), regardless of the method by which they were nominated, must function **AS A TEAM** (Team USA). Therefore, without exception, USAC will manage logistics (housing, transportation, race entry, etc.) for all of the athletes and staff that are part of the Team USA. **ALL ATHLETES AND TEAM STAFF FOR CATEGORIES LISTED IN THE “FINANCIAL RESPONSIBILITY” SECTION OF THESE PROCEDURES WILL BE REQUIRED TO TRAVEL WITH THE TEAM AND PARTICIPATE IN THE TEAM LODGING.**

USA Cycling will manage logistics (housing, transportation) for **ONLY** the athletes and staff who are selected by USAC to the “Elite Supercross Race Program.” USA Cycling will **NOT** be responsible for, or manage logistics for professional team managers, private coaches, professional team staff, athletes' families, spouses, friends or significant others. It will be the responsibility of these individuals to make separate arrangements for housing, food and transportation and they will be responsible for all costs related to any separate arrangements they might make. Additionally, the fore mentioned individuals will NOT be credentialed as part of Team USA for these events and will *not* be permitted in the Team USA cabin(s) or pit areas unless specifically granted that privilege by **Jamie Staff**, the BMX Program Director.

Nominations will be based on event results as well as previous results held on an Olympic style BMX tracks. With that said, mechanical problems and crashes are a part of cycling. Therefore, USAC will not consider an athlete's result or evaluation at the time the athlete experienced a mechanical problem, crashed or went off course as a determining factor for selection.

Any and all equipment provided by USAC to an athlete attending these events remains the property of USA Cycling and must be returned to USAC by December 1st, 2017 or within 10 days of written request. Failure to return USA Cycling property in a timely manner may result in suspension or other penalties as determined by USA Cycling.

The number of athlete start positions per event and category is determined in each event by the relevant governing body (UCI). These nomination procedures have been developed based on the most recent information supplied by the UCI regarding the events, athlete participation, team qualification and team size. USA Cycling's nomination procedures may be subject to change based on the final international and domestic racing calendars and/or updated information from the UCI.

Following the nomination announcement for each UCI SX event all athletes who accept their nomination are required to participate in all Team USA training camps, races or team events as prescribed by the USA Cycling Coaching Staff, unless given written permission from the VP of Athletics, Jim Miller. Training camp dates are listed within the important dates and deadlines section of this document.

FINANCIAL RESPONSIBILITY

USA Cycling will be assuming financial responsibility for riders in the teams listed, **IF THE RIDERS MEET THE AUTOMATIC QUALIFICATION STANDARDS BELOW**. USAC is limited in the number of riders we will fund, indicated by the maximum number in parentheses. USAC may also fund those athletes who are chosen via discretionary selection. Information regarding USAC discretionary selection procedures can be found in the "General Team Selection Information" document on the USAC website. All riders should review this document as well as "USAC Process for selecting riders to protected events". Both of these documents outline responsibilities and requirements for team selection. **Please note that USAC may NOT fill the teams to the maximum number of riders if it deems petitioning riders are not medal capable or future medal capable.**
