

# CYCLOCROSS NATIONAL CHAMPIONSHIPS

JANUARY 2018 • RENO, NV

## FAQ About Cyclocross Nationals—parking, entry and equipment drop-off

There will be a venue and parking access fee for participants and spectators for the 2018 USA Cycling Cyclocross National Championship in Reno, NV. This fee helps offset the expenses incurred by our local partners and goes directly to that organization—without their help this event would not happen. Details regarding wristband pickup will be added as they are finalized.

1. **How much does the venue and parking access fee cost?** Venue and parking access for the week is \$15 for those over the age of 10.
2. **What does this access fee include?** The venue and parking access fee includes parking all week, entry into Rancho San Rafael Park, as well as raffle opportunities for some great swag from our event partners.
3. **Is the price the same if I am a participant, a support person or a spectator?** Yes—the price is the same for everyone with the exception that 10 and under children who are free to enter.
4. **Are children free to enter?** Children ages 10 and under are free to enter.
5. **How much time should I allow the first time I come to the venue? Can I purchase my venue and parking access wristband ahead of time online?** Please plan on arriving at least 20 minutes before you need to be in the venue if you need to purchase a wristband onsite. We also offer venue and parking access wristbands for sale on our event registration page, which you can find here, <https://www.usacycling.org/register/2018-1>.
6. **Is there any parking right next to the venue?** Yes, the main lot is on the west side adjacent to the venue. The team parking area is also adjacent to the course if you have purchased an area in this space.
7. **Can I camp overnight in the general or overflow parking lot?** No overnight or camping is permitted in the event parking lots.
8. **Can I set up a tent next to my car in the event parking lots?** No tents will be permitted in the event parking lots. Kinetic will be providing a warm up tent for athletes to use.
