

USA CYCLING ATHLETE NOMINATION

**2017 PAN AMERICAN CONTINENTAL ROAD CHAMPIONSHIPS – ELITE WOMEN
May 4-7, Dominican Republic**

AUTOMATIC QUALIFICATION INFORMATION

Below you will find information on how a rider can “automatically” qualify for nomination to the 2017 Pan American Continental Championship Road Team. In cases where there are still available start positions after the automatic qualification process, those positions may be filled via discretionary nominations according to the USAC discretionary selection procedures. More information regarding USAC discretionary selection procedures can be found in the “General Team Selection Information” document on the USAC website.

FINANCIAL RESPONSIBILITY

USAC will assume financial responsibility for athletes in the teams listed, provided ATHLETES MEET THE AUTOMATIC QUALIFICATION STANDARDS BELOW. USAC will fund automatic qualifiers up to the maximum number indicated. USAC may also fund those athletes who are chosen via selection committee discretionary selection. Information regarding USAC discretionary selection procedures can be found in the “Team Selection Information (<http://www.usacycling.org/news/user/story.php?id=775>)” document on the USAC website. All athletes should review this document as well as “USAC Process for selecting athletes to protected events.” Both of these documents outline responsibilities and requirements for team selection.

1. Women Road Race (Maximum of 3)
2. Women Time Trial (Maximum of 2)

USAC POLICY FOR FUNDING CONTINENTAL CHAMPIONS FOR WORLD TEAM

Per the current UCI rule, **9.2.009**: In addition to the riders qualified through the UCI Nations classification, according to the quotas indicated in the articles 9.2.010 through 9.2.020, the following persons will also be qualified for Elite World Championships: For the Continental Champion, this facility is limited to the first World Championships following the awarding of the title of Continental Champion.

Because the Continental Championships are held months prior to the actual World Championships, and the level of competition at the Continental Championships is not the International Standard found in most automatic qualification criteria for USA Cycling’s Team Nominations for World Championship Teams, USA Cycling has established the following policies:

Funding of Continental Champions by USA Cycling for World Championship Teams is contingent upon the rider meeting the automatic funding level as outlined in the World Championship Team qualification document. If a rider does not meet these requirements, but chooses to ride the World Championships they will do so at their own cost.

FUNDING LEVELS

Level 1 Full Funding

The Service Fee for this event and this level is \$1000.00. This fee includes: competition and casual clothing, lodging/food, ground transportation at event location, all mechanical/race support, and TravMed Insurance throughout duration of the event with USA Cycling. Level 2 ground-funded athletes are responsible for their airfare and excess baggage expenses.

Additionally you will be provided casual clothing that you will be required to wear at official team functions and while participating as a member of the team. Failure to comply with team clothing rules can lead to disciplinary actions including removal from the team.

TEAM SERVICE FEE

All Team USA athletes who are selected to the team but not funded are required to use USAC provided services and will be required to pay the associated Team Service Fee. This fee will cover lodging and food, ground transport at event location, race support, competition clothing and TravMed throughout the duration with USA Cycling. All athletes travel will be booked arriving 3 days before the first day of their competition, and returning the following day after their last competition.

USA CYCLING SELECTION STRATEGY FOR PAN-AMERICAN CONTINENTAL CHAMPIONSHIPS

USA Cycling has historically used the Pan-American Continental Championships as an opportunity to gain crucial UCI points towards UCI Nations Rankings which assist in ensuring maximum start positions at the World Championships. In many cases, the Pan-Am Continental Championships have also served a dual purpose providing future medal capable athletes the opportunity to experience the stress and challenge of an international championship.

Women Road: USA Cycling has historically used Pan-American Continental Championships as an opportunity to secure additional start positions at World Championships via winning Pan-Am Continental Championships.
