Healing from self: Galatians 3:1-18

VISION CHURCH
RALEIGH

“We lovingly invite people into our faith by sharing, showing and living the Gospel.”

INVITE

TAKE NOTE...

RIGHTEOUSNESS IS RECEIVING ACCRPTANCE AND “A SELF” FROM GOD!

- Why is it important to find healing from self?

INVEST

“We invest through intentional discipleship, relational community and leadership development.”

- What was the significance of circumcision and why is it important not to view it as a means of salvation for Abraham?

- Circumcision was a sign of the covenant God made with Abraham. It was never meant to be counted to him as righteousness. Faith is how Abraham was saved. What are some things we look to for righteousness aside from faith in God?

INSPIRE

“We want you to live inspired by the Gospel to invite and invest in someone’s life and live on mission.”

- Abraham trusted that God would do what he said and would give him a son to be his heir. What are some areas in life where it’s been difficult to trust God?

“The point Paul is making is that our assurance isn’t in our ability to try harder, but rather experiencing the joy of performance free love.”
- Pastor Jerome Gay
