SCOPE of WARRANTY and EQUIPMENT COVERED: The products covered by this Limited Warranty are specified below (the “Covered Equipment”). RHEEM SALES COMPANY, INC. The exact replacement will be warranted for only the unexpired portion of the original Applicable Warranty Period. If government regulations, industry certification or similar standards require the replacement unit to have features not found in the defective unit, you will be charged for the difference in price represented by those required features. If you pay the price difference for those required features you will also receive a complete new Limited Warranty (with the full Applicable Warranty Period) for the new replacement unit. The Manufacturer does not authorize or warranty any online/internet sale of equipment through auction websites or, unless expressly authorized by written policy of Manufacturer, any other method of online sales direct to the consumer.
