Greetings, and welcome to the 2020 General Conference!

The Commission on the General Conference has been praying, worshiping, talking, planning, and working for the past four years to plan not one, but two sessions of the General Conference. Many thanks to those who have invested extra effort in all the steps that have been needed. These efforts have included creating a daily schedule; providing the Daily Christian Advocate; securing the infrastructure required for conferencing; accommodating the travel, housing, and dining needs of delegates, staff, and guests; and many other tasks. We appreciate the work of the teams from the Minnesota and Dakotas Annual Conferences who are providing local hospitality. We have all been supported in these ministries by the very able staff of the Minneapolis Convention Center and Meet Minneapolis.

The Advance Edition of the Daily Christian Advocate (ADCA) will be published digitally in English, French, Portuguese, and Kiswahili on the DCA website: www.dailychristianadvocate.org. All reports, petitions, delegate lists, schedules, and other information will be available in an easily accessible format online. It will also be published as before in three volumes. Volumes 1 and 2 will be mailed to delegates at least ninety (90) days prior to General Conference. In Volume 1, there are delegate lists (clergy names in the delegate lists are in italics), seating assignments, legislative committee assignments, agenda and program, the proposed Plan of Organization and Rules of Order (which will be presented for adoption at the first plenary session), and the report of the Commission on the General Conference.

Volume 2 contains printed reports of the general agencies and study commissions, proposed changes in the Book of Discipline, proposed new resolutions, amendments to existing resolutions, and non-disciplinary proposals. When the same petition is submitted multiple times, it is printed only once and the number of similar petitions is noted in the petition header. Only fifty (50) words of rationale are printed. The material is organized according to the legislative committee to which it is assigned.

The final section of the Advance Edition, Volume 3, is the quadrennial report of the General Council on Finance and Administration. This volume will be available electronically on the opening day of General Conference. This volume must contain financial reports that cannot be prepared until the 2019 books are closed and thus requires a later production date than the rest of the ADCA.

The full daily editions of the Daily Christian Advocate will also be published digitally on the DCA website during General Conference. Selected material from the DCA—particularly those items that will be voted on—will also be printed and distributed to delegates as a courtesy. These selected materials will additionally be translated into French, Portuguese, and Kiswahili.

Delegates and first reserves will be issued free access to the DCA website and given copies of the printed material. If other reserve delegates are seated, they will have access to the DCA website and may use the printed material provided for the people they replace. All issues of the Daily Christian Advocate are published under the authority of the Commission on the General Conference.

Blessed to serve,

Kim Simpson, Chairperson, Commission on the General Conference
Rev. Gary W. Graves, Secretary of the General Conference
Sara Hotchkiss, Business Manager of the General Conference

Registration and Arrival

Registration

Registration will be held at the Minneapolis Convention Center. Delegates, official participants, members of the press, and invited guests will register in Room 102A, while observers will register in the B Lobby area. Everyone in attendance will be required to register and wear a nametag issued by the General Conference. Registration dates and times are as follows:

Sunday, May 3 1:00 P.M. – 6:30 P.M.
Monday, May 4 7:00 A.M. – 6:30 P.M.
Tuesday, May 5 7:00 A.M. – 1:00 P.M.
(closed during Opening Worship)
4:00 P.M. – 6:30 P.M.
Wednesday, May 6 7:30 A.M. – 6:30 P.M.

Registration will continue from 7:30 A.M. – 6:30 P.M. all remaining days except Sunday, May 10, when there will be no registration.

Delegates and reserve delegates are required to present the credential card signed by the annual conference secretary and a government-issued photo identification (driver’s license, passport, or I.D. card) to register. A General Conference nametag and the same photo identification will be required to gain entrance to the Plenary Sessions (Hall C) and to enter the delegate seating area of the legislative committee rooms. Credential cards and General Conference nametags are issued by the secretary of the General Conference.

Reserve Delegate Seating

A General Conference nametag and photo identification will be required when a reserve delegate begins the seating process. Reserve delegates will be issued a voting card and allowed to enter the delegate seating area through the reserve delegate check-in area at the entrance to the back of Hall C once the primary delegate or head of delegation turns in the completed and signed Temporary Seating form and the voting card of the primary delegate. A similar process will be followed to seat a reserve delegate in a legislative committee. This process is to be used only for a specific session. At the end of the session, the reserve delegate is to turn in the voting card and Temporary Seating form before the voting card will be re-issued to the primary delegate.

What to Bring

- Your credential card and government-issued photo identification.
- Advance Daily Christian Advocate (ADCA)—delegates and first reserve delegates receive by mail.
- The Book of Resolutions, 2016.

Delegate Handbook 25

Report of the Commission on the General Conference
Kim Simpson, Chair

Introduction

The United Methodist Church looks much different than it did when it came into being in 1968. Changes have taken place throughout every level—from local churches and communities, through annual conferences, and up to our global gathering of clergy and laity. The reality of being a worldwide church in this day and time has transformed our context and practice in conferencing.

The Commission on the General Conference reflects the worldwide nature of the church. It is a diverse group of individuals with representatives from each central conference and jurisdiction. Our meetings are simultaneously interpreted into French and English, and our diversity in thought and theological perspective is broader than our language differences. Together, as a picture of the worldwide church, we have strived to be faithful to our charge as we have prepared for our meeting in Minneapolis, Minnesota.

In addition to the dedicated individuals who are elected to the commission, we have been blessed with the assistance of staff, many of them serving as volunteers. Ms. Sara Hotchkiss, Rev. Gary Graves, Ms. Raquel Pérez-Molloy, Dr. Susan Brumbaugh, Rev. Abby Parker Herrera, Mr. Raymond Trapp, Dr. Brian Sigmon, Ms. Diane Degnan, and Mr. Don Reasoner have provided the commission with invaluable leadership and experience and deserve special thanks. As you arrive in Minneapolis, you will see evidence of the efforts of the Host Committee, ably headed by Rev. James Haun. Bishop Bruce and Mrs. Char Ough along with the Dakotas and Minnesota Annual Conferences are working to prepare for our welcome.

The role of the Council of Bishops at General Conference is coordinated by the commission in several areas, including their leadership in worship, the Episcopal Address, and the assistance given by our Rules to the Committee on Presiding Officers, which selects those persons who preside at each plenary session. The commission has an ex officio member of the Council of Bishops as part of its composition, and we have been grateful for the contributions of Bishop Thomas Bickerton and the bridge that he has continued to strengthen between the commission and the Council of Bishops. To encourage our coordination with the council, this commission has welcomed a second bishop from the Davao Episcopal Area in the Philippines Central Conference as a permanent guest at our meetings. Bishop Rodolfo Juan has been a helpful contributor to our work.

We are also grateful for the leadership of Duncan McMillan, who served as chair of the Commission from 2016 to 2019. We have recently mourned the death of our fellow member, Betty Katiyo of the West Zimbabwe Annual Conference, who served on the commission since 2012. We appreciate Duncan’s and Betty’s dedication and service.

Function of the Commission

The Commission on the General Conference is tasked with the design and plan for the 2020 General Conference. The 2016 Book of Discipline (¶ 511) establishes the parameters and responsibilities of the commission. This includes selecting the site, setting the dates of General Conference, creating the daily schedule, providing the Daily Christian Advocate, accommodating needs of delegates, setting the per diem allowance recommendation, assigning the number and content of legislative committees, and setting the number of delegates when the designated formula produces a number outside the constitutional range.

Results of 2019 General Conference

This commission, like none in recent history, has had to plan two General Conferences. Planning for the 2020 General Conference began, then had to pause as planning for the 2019 Special Session became the main focus. During the process of evaluating the 2019 called General Conference, several items of importance were noted.

A task force was created to investigate possible improper voting at the 2019 General Conference. This task force engaged LBMC, an accounting and business advisory company, to conduct an investigation and Bass, Berry & Sims to provide legal advice regarding process and results of the investigation. The investigation revealed credible evidence that four votes were cast by persons not authorized or properly credentialed as delegates. This resulted in a minority report substitution vote to be declared null and void. The following recommendations were a result of those findings:

- Recommendation 1: Considering what effects the voided vote would have on the disaffiliation legisla-
tion passed, the commission shall ask the Council of Bishops, pursuant to Paragraph 56, Section 4 of the *Discipline*, to consider referral to the Judicial Council to examine the impact of this determination on the disaffiliation vote [2019 *DCA* p. 523].

- **Recommendation 2:** The commission shall refer to the Council of Bishops allegations concerning delegate selection issues that the task force received from members of the church, but which were beyond the scope of the task force investigation or the authority of the Commission on the General Conference under the *Discipline*.
- **Recommendation 3:** The commission shall propose a collaborative conversation with the Council of Bishops and the General Council on Finance and Administration on membership statistics and the qualifications of and manner in which people are recorded as professing members.
- **Recommendation 4:** The commission affirms new General Conference procedures relating to registration and voting as proposed by commission staff with input from LBMC.

Actions that have been preliminarily identified for further review and possible implementation include:

- New procedures relating to registration and voting.
- Electronic voting technology will be utilized to ensure proper voting.
- Nametags will include pictures.
- Government issued photo ID will be required to enter the registration room. No group registrations are allowed.
- More controlled distribution of delegate reimbursements.
- Classroom table arrangements in plenary.
- Dedicated entry points to plenary room.
- Assigned seat within delegations.

Other plans to be implemented will include:

- The *ADCA* and *DCA* will be available digitally, with the *ADCA* and selected material from the *DCA* available in print as well.
- A professional parliamentarian will be assisting as needed at the 2020 General Conference.
- Bishops presiding will have more intentional training.
- Survey following the 2020 General Conference will be developed and distributed.
- Increased plenary time to accommodate a new disciplinary requirement stating that each petition approved by a legislative committee shall receive a vote by the plenary session.

**Proposed Rules** changes will include:

- Adding the following language: “Delegates are free to vote according to their conscience without interference by others observing, monitoring, or recording their votes. Persons shall not give or accept bribes or threaten delegates in order to influence voting.”
- Requiring delegates to use placards or flags to raise points of order.
- Requiring that before delegates vote to end debate on a given matter, the presiding bishop will inform them of how many people have requested to speak for, speak against, or propose amendments.
- No longer allowing challenges of misrepresentation to interrupt a delegate who has the floor.

These proposed recommendations and changes are within the responsibilities of the commission and hope to improve the workings of the General Conference.

**General Conference 2020 and Beyond**

The theme for the 2020 General Conference is “. . . and know that I am God” from Psalm 46. It is the plan of the worship team to emphasize a multitude of different ways we can know God. It is hoped that this can be a positive guide to our work together—looking to God for new ways to develop the church, not do the usual past things, but to build bridges to find common ground for a hope-filled future.

It is in that spirit that the commission has planned for this General Conference. The commission is charged with planning the structure for the delegates to accomplish their work. Many hours have been spent trying to anticipate the needs of persons, from lodging to food to transportation and time to replenish. Facilities to guide our process have been planned in detail. There are many moving parts that must work together to bring this undertaking to fulfillment. The commission has done their work by modeling respectful treatment of others, really listening to each other and honoring the task we were assigned to accomplish.

The Host Committee has been working diligently to make sure the delegates’ needs are met and to be of help onsite. Please thank the many volunteers who have given of their time and talents to serve the church.

It was the commission’s hope to hold the 2024 General Conference in Manila, Philippines, but circumstances
beyond our control have made this location not possible. The location for the 2024 General Conference will be announced at a later date.

The United Methodist Church is at a defining moment in its life. As we gather as a global body, the world will be watching to see how we handle our issues. The mechanism is in place to do the work. It’s up to the delegates to discern the best way forward. May this gathering be grace

filled, where all voices are heard, persons are respected, the mission of the church is lifted as primary, and God’s love is evident!

Respectfully submitted,

Kim Simpson
Chair, Commission on the General Conference

**General Conference of The United Methodist Church**

**Proposed Budget for the 2021-2024 Quadrennium**

**General Conference (¶¶ 501-511).** The apportionments for General Conference go to fund delegate expenses, operation costs (convention center and equipment rental, publishing, petition tracking software, worship, labor), language services (printed translation of advance materials and spoken interpretation on site), expenses of the offices of the secretary, business manager, and treasurer of the General Conference, and expenses of the several commissions and committees in support of the event.

The changing global nature of the church is due in part to the rapidly growing membership in central conferences. The percentage of delegates from central conferences has increased significantly since the start of this millennium, which was 16 percent in 2000. The percent of delegates from central conferences for the most current four quadrennia is 29 percent in 2008; 38 percent in 2012; 42 percent in 2016; and 44 percent in 2020. This change in representation has resulted in two of the four major cost drivers increasing significantly:

1. The budgeted cost of language and translation services in 2024 is:
   a. Oral interpretation - $1,450,000
   b. Written interpretation - $490,000

2. In 2016, the average travel costs for delegates from within the United States was approximately $765 for each delegate, while the average travel cost for delegates from central conferences was approximately $3,365 each. As representation from central conferences grows, because of growth in membership, so likewise does the cost of travel for delegates.

The Commission on the General Conference launched a ministry partner program for the 2012 General Conference with the intent of creating an income stream that may permit the payment of some of the accumulated costs. This program will continue through the 2024 General Conference. Ministry partnership net income (after expenses) provided in 2016 was approximately $400,000 and is expected to be approximately $725,000 in 2020.

Plan of Organization and Rules of Order for the General Conference

PREAMBLE

From the days of John Wesley, the “People called Methodist” have gathered and continue to gather for Christian conferencing as a means of grace. The early Methodists, even as they attended to practical needs of the movement, focused primarily on spiritual matters. The spiritual affairs of the Church and its mission are always before the body whether or not they are apparent in the passions of debate on temporal concerns. Through Christian conferencing the Church comes together, seeking unity in the midst of diversity, always desiring to know the mind of Christ. The General Conference is the representative, deliberative body for The United Methodist Church. It has developed an orderly, rational, and fair process for making majority decisions in the practical affairs of the Church; yet, it also protects the rights of minority positions. The delegates come together in firm conviction that the unity of United Methodism is God’s will and the best way to “spread scriptural holiness” in this global movement of the Church.

The purpose of the Plan of Organization and Rules of Order is to help the General Conference be a means of grace, discerning God’s will and striving for Christ-like wisdom in all of our decisions. In the midst of deliberation, we may pause, listen in silence, pray together, and refocus our vision on where the Spirit is leading the Church. These times of silence, prayer, and discernment may be varied and surprising. While they are not substitutes for respectful and orderly debate, they do serve to hold our temporal affairs up to the light of the larger, common mission of The United Methodist Church to make disciples of Jesus Christ for the transformation of the world. Trusting that God is at work throughout all of life, the General Conference invites the Church and others to observe our deliberations by conducting our business in open meetings (consistent with ¶ 722 of the Book of Discipline).

Secretary of the General Conference or designee on a form provided for this
purpose.
(2) Any reserve seated in the place of a regular delegate shall have been duly elected as a reserve delegate by the annual conference and shall meet the requirements set forth in the Book of Discipline ¶¶ 34-36. Delegates, including reserves when the latter are substituted for a delegate or delegates, shall be seated in the order of their election, except when a reserve is seated temporarily or in case of special need as determined by the delegation chairperson. The reserve shall occupy the seat of the delegate for whom the substitution is made.

Reserves shall not be seated for delegates presenting on the platform. All delegates arriving after the opening roll call shall be reported by the chairperson of the delegation to the Secretary of the General Conference or designee. No delegate who is duly registered, unless hindered by sickness or other emergency, shall be absent from the sessions of the Conference without permission of the Conference. All absences shall be reported by the chairpersons of the delegations to the Secretary of the General Conference or designee on a form provided for this purpose. Reserve delegates are to function within the Rules of Procedure of the General Conference (See Rules 29 and 33). A reserve delegate may be seated upon authority of the chairperson of the delegation who shall report the substitution in writing to the Secretary of the General Conference or designee on a form provided for this purpose. Reserves are chosen to be seated:

(1) by reason of being of the same order as the absent delegate,

(2) in order of their election as reserve delegates.

If the substitution is challenged, the Committee on Credentials after consultation with the chairperson of the delegation may report its recommendation to the General Conference.

Rule 6. Directions for Securing the Plenary Floor

A delegate desiring to speak to the Conference shall use the tablet at the table to register in the manner(s) provided and make a request to speak. The presiding bishop shall choose from the requests and direct the speaker to the appropriate microphone. Unless raising a point of order or parliamentary inquiry, the delegate shall not speak until given the floor. The bishop
presiding shall consider the various sections of the auditorium in rotation. The delegate recognized shall first announce her or his name and the name of the conference represented and their reason for speaking. A delegate recognized by the presiding bishop may not yield the floor to another delegate. In the event of tablet failure, a delegate desiring to speak to the Conference shall hold up the appropriate placard to be recognized by the bishop presiding.

Rule 7. Plenary Speakers For and Against

(1) When the report of a committee is under consideration, it shall be the duty of the bishop presiding to ascertain, when recognizing a delegate to the Conference, on which side the delegate proposes to speak; the bishop presiding shall not assign the floor to any delegate proposing to speak on the same side of the pending question as the speaker immediately preceding if any delegate desires to speak on the other side.

(2) Except for non-debatable motions (Rule 23), no report shall be adopted or question relating to the same decided, without opportunity having been given for at least two speeches for and two against the said proposal.

(3) The motion to call for the previous question, which is itself non-debatable, is not in order without opportunity having been given for at least two speeches for and two against the proposal. Any delegate who moves to call for the previous question (that is, that the vote be now taken on the motion or motions pending) shall also indicate to what it is intended to apply, if any secondary motion or motions are also pending. If said delegate does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate and shall require a two-thirds vote of those present and voting for its adoption. If it is adopted, the vote shall be taken on the motion or motions to which it applies without further debate (See Rule 23). After three speeches for and three against and provided no secondary motions come before the floor, the questions shall be put automatically. However, the chairperson and/or duly authorized delegate or delegates presenting the committee’s report, and if there is a minority report, the presenter shall be entitled to speak before the vote is taken (See Rule 29).
These speeches shall be limited to three (3) minutes (See Rule 9). After three speeches for and three against, if there are secondary motions on the floor, the motion to call for the previous question is non-debatable and shall be put to the vote after the presider provides the number of speakers in the pool for speeches for, speeches against, and amendments.

Rule 8. Interrupting the Speaker

No delegate who has the floor may be interrupted except for a point of order, a parliamentary inquiry, a point of information, to challenge a misrepresentation, or to call attention that the time has arrived for an order of the day.

Rule 9. Speaking More Than Once; Length of Speech

(1) No delegate shall speak a second time on the same question if any delegate who has not previously spoken on the question desires the floor.

(2) No delegate shall speak more than twice on the same subject under the same motion, except as provided in Rule 7.2

(3) No delegate shall speak longer than three minutes unless that time is extended by the body (See Rule 7.3). Time of translation shall not count against the three-minute limit.

(4) The three-minute limit on delegate speeches may be amended by a majority vote of the body at any time and for any period of duration.

Rule 10. Point of Order

A delegate wishing to raise a point of order shall use the tablet at the table to register and make a request to speak. The presiding bishop shall choose from the requests, interrupt the proceedings, and direct the speaker to the appropriate microphone. In the event of tablet failure, a delegate wishing to raise a point of order shall address the presiding officer and say, “I rise to a point of order.” register a request to speak in the manner provided by the Commission on the General Conference and explained by the presider. The presiding officer shall interrupt the proceeding. If a delegate is speaking, that one shall immediately yield the floor. The presiding officer shall then direct the delegate raising the
point of order to first cite the rule involved and then state the point as briefly and concisely as possible. The delegate shall not presume to decide the question or argue the point. A point of order is decided by the presiding officer without debate unless in doubtful cases the presiding officer submits the question to the body for advice or decision. When the presiding officer rules on a point, debate is closed, but the decision may be appealed (See Rule 3).

Rule 11. Bar of the Conference

The bar of the conference shall provide for the integrity of the General Conference. It is for delegates, pages, and others who have been granted access to the area for General Conference business as provided through the Rules or through the suspension of the Rules.

Rule 12. Distracting Behavior

A spirit of Christian conferencing is expected. Delegates are not to distract others. Audible cell-phone use is not permitted in the plenary hall or the legislative committee rooms. All electronic devices shall be muted or turned off. In addition, the use of electronic devices should be in a manner that does not disturb other participants. Respect should be shown in the use of social media at all times. Verbal and non-verbal distractions are prohibited. The presiding officer or members of the General Conference staff may ask individuals to leave the plenary hall or the legislative committee room if they persist in behavior that interferes with the participation of other delegates.

Rule 13. Electronic Recording

No electronic recording by either video or audio may be made of any portion of the General Conference unless specifically authorized by the Business Manager of the General Conference in order to maintain the integrity of all performance licenses.

Rule 14. Right to Make Motions

Only voting delegates have the right to make or second motions in accordance with the rules and upon recognition by the presiding officer.
Rule 15. Plenary Voting Procedure

(1) Voting shall be by electronic means unless otherwise ordered by the Conference, provided, however, that in elections, voting may be by written ballot. Electronic voting devices shall be available on the platform for delegates making a presentation to the Conference.

(2) When electronic voting is not in use or operating, a standing count vote or vote by written ballot may be ordered on call of any delegate, supported by one-third of the delegates present and voting, with pages serving as tellers.

(3) Only delegates within the bar of the Conference when the vote is taken shall be entitled to vote. No delegate shall cast a vote in place of any other delegate.

(4) No other business shall be in order when a vote is being taken or when the previous question has been called until the process is completed, except such as relates to the vote itself or such business as the presiding officer may deem appropriate.

(5) Delegates are free to vote according to their conscience without interference by others observing, monitoring, or recording their votes. Persons shall not give or accept bribes or threaten delegates in order to influence voting.

Rule 16. Elections

For any election requiring balloting by the plenary, an election shall occur when the number of ballots cast for a nominee meets or exceeds the required percentage of the total valid ballots cast.

A ballot is valid if it meets the following standards:

(1) It is cast by a voting delegate or properly seated reserve delegate.

(2) It contains votes for the same number of nominees, as there are vacancies to be filled.

(3) Every name receiving a vote has been properly nominated according to the provisions.
(4) No more than one vote is cast for the same nominee.
(5) No vote is cast for a person who has already been elected.

*Rule 17. Division of Question*

Before a vote is taken, any delegate shall have the right to call for a division of any question, if it is subject to such division as the delegate indicates. If no delegate objects, the division shall be made; but if there is objection, the presiding officer shall put the question of division to vote, not waiting for a second.

*IV. Behavior of Guests and Observers*

*Rule 18. Distracting Behavior*

A spirit of Christian conferencing is expected. Guests and observers are not to distract others. Audible cell-phone use is not permitted in the plenary hall or the legislative committee rooms. All electronic devices shall be muted or turned off. In addition, the use of electronic devices should be in a manner that does not disturb other participants. Respect should be shown in the use of social media at all times. Verbal and non-verbal distractions are prohibited. The presiding officer or members of the General Conference staff may ask individuals to leave the plenary hall or the legislative committee room if they persist in behavior that interferes with the participation of delegates. Guests and observers are not to enter the bar of the conference except as provided in Rule 11.

*Rule 19. Electronic Recording*

No electronic recording by either video or audio may be made of any portion of the General Conference unless specifically authorized by the Business Manager of the General Conference in order to maintain the integrity of all performance licenses.
V. Business Procedure

Rule 20. Motion for Adoption of Legislative and Administrative Committee Reports

Rule 21. Required Forms for Reports, Resolutions, Motions, Amendments
All resolutions and committee reports shall be prepared in accordance with instructions from the Secretary of the General Conference; and all motions, including amendments, shall be presented in writing (See Rules 33.2, 34.3, 36.2, 38).

Rule 22. Alterations of Motions
When a motion is made and seconded, a resolution is introduced and seconded, or a committee report is read or published in the Daily Christian Advocate, it shall be deemed to be in the possession of the Conference and may not be altered except by action of the Conference (See Rule 39).

Rule 23. Non-Debatable Motions
The following motions shall be acted upon without debate:

1. To adjourn, when unqualified, except for final adjournment.
2. To suspend the rules.
3. To lay on the table.
   No motion, which adheres to another motion or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they adhere or which adhere to them.
4. To take from the table.
5. To call for the previous questions, when in order (See Rules 7 and 24).
6. To reconsider a non-debatable motion (See Rule 32).
7. To limit or extend the limits of debate.
8. To take time for prayerful discernment at the immediate moment.
To request a Judicial Council decision (Book of Discipline ¶¶ 56.1, 2609.1).

Rule 24. Rights of the Main Question
The main question may be opened to debate under the following motions: to adopt, to refer, to substitute, to postpone, or to reconsider. No new motion, resolution, or subject shall be entertained until the one under consideration shall have been disposed of except as provided in Rule 15.4. This rule does not apply to secondary motions if otherwise allowable.

Rule 25. Precedence of Secondary Motions
If any one or more of the following motions shall be made when one or more other motions are pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:

(1) To fix the time the conference shall adjourn (This motion is subject to amendment, or it may be laid on the table.);
(2) To adjourn;
(3) To take a recess;
(4) To lay on the table;
(5) To order call the previous question (See Rules 23.5, 28);
(6) To limit or extend the limits of debate;
(7) To postpone to a given time;
(8) To refer;
(9) To amend or to amend by substitution (one amendment being allowed to an amendment);
(10) To postpone indefinitely.

Rule 26. Motion to Adjourn
The motion to adjourn, when unqualified, shall be taken without debate and shall always be in order, except:

(1) When a delegate has the floor;
(2) When a question is actually put or a vote is being taken and before it is finally decided;
(3) When the previous question has been ordered called and action is pending;

(4) When a motion to adjourn has been lost and no business or debate has intervened;

(5) When the motion to fix the time to which the Conference shall adjourn is pending.

This rule does not apply to a motion for final adjournment of the Conference.

**Rule 27. Final Adjournment**

At final adjournment all unfinished business shall remain unfinished.

**Rule 28. Procedure for Amending by Substitution**

(1) When a resolution or committee report is properly before the Conference for consideration and action, even if amendments are pending, a substitute may be offered by any delegate moving that the same be substituted for the report, resolution, or amendment under consideration. The substitute shall be an alternative to what is before the body and not simply a negation of the main motion.

(2) Debate on the motion to substitute will be limited to the question of substitution only. No amendments to the main motion or the substitute will be considered during this period of initial consideration.

(3) Following the debate on the motion to substitute, a vote on substitution will occur. If the motion to substitute prevails by majority vote, the substitute motion becomes the main motion. If the motion to substitute fails to receive a majority vote, the original main motion remains on the floor for consideration. Debate including the offering of amendments moves forward on the main motion as per the rules of procedure.

(4) The motion to call for the previous questions shall not be in order on the motion to substitute until opportunity has been given for at least two speakers on each side of the question.
Rule 29. Minority Report

A minority report may be attached to a report from a legislative committee in the following manner:

(1) Delegates intending to offer a minority report must notify the chair of the committee within two hours (excluding breaks) of final committee action on the relative petition.

(2) The chair of the legislative committee shall receive the minority report signed by 10 persons or 10% of the legislative committee membership (whichever is less) who voted against the proposal, whose names shall be attached to the request. A reserve delegate may sign the minority report only while seated as a voting delegate in the legislative committee or if seated as a voting delegate in the legislative committee at the time the committee acted upon the relevant petition. The committee and minority reports shall be submitted and presented together in the *Daily Christian Advocate*.

(3) A minority report shall be presented as a substitute for the report of the committee, in conformity with Rule 28 and Rule 36 respectively, and it shall be managed in the plenary according to Rule 28 for substitute motions. The signers of the minority report shall select one of their signers to present the report as a substitute motion. In closing debate on the motion to substitute, the delegate presenting the minority report shall speak first and the presenter of the committee report shall be last.

(4) If the motion to substitute the minority report for the majority report prevails by majority vote of the plenary, the minority report becomes the main motion. If the motion to substitute fails to prevail by a majority vote of the plenary, the majority report of the committee remains on the floor as the main motion for consideration. Debate including the offering of amendments moves forward on the main motion as per the rules of procedure.
Rule 30. Unlawful Motion After Speech

After making a speech on a pending question, a delegate may not make a motion that would limit or stop debate without first relinquishing the floor.

Rule 31. Exceptions to Majority Vote

A majority of those voting, a quorum being present (Book of Discipline ¶ 506), shall decide all questions, with the following exceptions:

1. A one-fifth vote of the Conference shall be required to request a Judicial Council decision (Book of Discipline ¶¶ 56.1, 2609.1).

2. A one-fifth vote of the Conference shall refer a matter to the Committee on Ethics.

3. A non-delegate may be invited to a full legislative committee or sub-committee either by invitation of the chair or by one-third vote of either body to speak for no more than three (3) minutes on any one matter.

4. One-third of those present and voting shall suffice to sustain a call for a recorded vote in case the decision of the presiding officer is challenged (See Rule 15.2).

5. A tie vote sustains the presiding officer (Rule 3.1).

6. A two-thirds vote shall be required to sustain a motion to suspend (Rule 41) or amend (Rule 42) the rules; to set aside a special order (Rule 33.1); to consider a special order before the time set therefore; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person after the sixth day of the General Conference (See Section VII.A.3).

7. A two-thirds vote shall be required to sustain a call for the previous question.

8. A two-thirds vote shall be required to approve a proposal for a constitutional amendment (Book of Discipline ¶¶ 59-61).
Rule 32. Reconsideration

A motion to reconsider an action of the body shall be in order at any time if offered by a delegate who voted with the prevailing side. If the motion proposed for reconsideration was non-debatable, the motion to reconsider shall be non-debatable (See Rule 23).

Rule 33. Regular Calendar and Consent Calendar

(1) The Secretary of the General Conference shall keep the Calendar which includes the orders of the day and the reports of committees (See Rule 39). Business placed on the calendar shall be considered in the order recommended by the Committee on Agenda and Calendar, unless by two-thirds vote of the Conference, an item is taken up out of order (See Rule 31.6).

(2) Whenever possible, a legislative committee shall recommend for adoption only one calendar item for each paragraph or sub-paragraph in the Book of Discipline. All other related petitions shall be combined for rejection or referral.

(3) Action from a legislative committee shall be placed on the Consent Calendar if:

(a) No more than ten votes were cast against the prevailing position in the committee;
(b) The item has been previously published in the Daily Christian Advocate;
(c) The item has been in the hands of delegates for at least 24 hours;
(d) The item is neither a constitutional amendment nor one having financial implications; and
(e) No minority report is attached (See Rule 29).

(4) The Daily Christian Advocate shall clearly identify the Consent Calendar, which will list items in three sections sub-headed as follows:

(a) Disciplinary Items Recommended for Adoption.
(b) Non-Disciplinary Items Recommended for Adoption.
(c) Items Recommended for Referral.
(5) The Consent Calendar shall be called up daily pursuant to Rule 2. Adoption of the Consent Calendar by vote of the Conference shall be deemed action on all calendar items on the Consent Calendar.

(6) If an error in assignment of a Consent Calendar item is discovered and reported by the legislative chair to the Coordinator of the Calendar, the Coordinator of the Calendar shall have the authority to report the error to the plenary session for reconsideration.

(7) Any 20 delegates may have a Consent Calendar item removed by having such a request on file with the Secretary of the General Conference by 3:00 P.M. of the day the calendar item first appears in the *Daily Christian Advocate*. Reserve delegates may sign requests to remove item from the Consent Calendar only while seated as voting delegates. Such items shall be called up in the regular order of business.

(8) Items lifted from the Consent Calendar may not be returned to the Consent Calendar.

**Rule 34. Report of Non-Calendar Items**

(1) In addition to calendar items to be presented to the plenary, each legislative committee shall report all items not presented in the following categories:

(a) Petitions not supported because another petition dealing with the same subject was acted upon.

If, in such a case, the committee shall fail to select a representative, the chairperson shall designate a member to represent the committee, and said representative shall have all the rights and privileges of the chairperson in relation to such a report.

[Editor’s note: *The Book of Discipline 2016* ¶ 507.11 requires that all petitions submitted to the General Conference shall receive a vote of a legislative committee. **Legislative Process**

Petitions are sent by agencies, conferences, churches, and individuals.

The Petitions Secretary assigns petition numbers. The numbers indicate the legislative committee, the chronological order, if it affects the Constitution, if there are any financial implications, if there is global significance, and whether the petition applies to the *Book of Discipline*, the *Book of Resolutions*, or other.

The Committee on Reference reviews the assignments by the Petitions Secretary. It has authority to combine petitions and make new assignments to legislative committees as deemed necessary.

Requested changes in the *Book of Discipline* and the *Book of Resolutions* and other petitions are printed in the *ADCA*.

Legislative committees act upon petitions and make recommendations to the plenary session.

Recommendations are reported as approved by legislative committee officers to the Coordinator of the Calendar, assigned a calendar number, and printed in the *DCA*.

Plenary session (the whole assembly) acts upon calendar items.

The actions are used to update the *Book of Discipline* or the *Book of Resolutions*. The *DCA* becomes the official journal of the General Conference.

Voting and Reserve Delegates by Conference

Voting delegates are listed in order of election. Names of clergy appear in italics. Reserves are those elected in accordance with ¶ 34 of the Constitution. The chairperson of a delegation is indicated with an asterisk. To comply with the latest privacy laws, delegate addresses have not been published in the Advance Daily Christian Advocate. Some annual conferences have not been listed because their delegate information was unavailable at the time of printing. Updated delegate lists will be published in the Daily Christian Advocate at the beginning of General Conference.

The delegate information is provided by the respective secretaries of the annual conferences as a part of the credentialing process. Corrections may be sent to the Reverend Gary W. Graves, Secretary of the General Conference, ggraves@umcgc.org.
