We're all a part of God's body.
Stand with me, agree with me.
We're all a part of God's body.*

Lord, we adore Thee
God of glory – Lord of love
Hearts unfold like flowers before Thee
Hail Thee as the sun above

Drive the dark of doubt away

1:12 2:23

Give us this day, our daily, daily, our daily bread
And forgive us our trespasses
As we forgive those who trespass against us
And then lead us not into temptation
But deliver us, deliver us
Deliver us from all evil

You stay the same through the ages
Your love never changes
And may be pain in the night
But joy comes in the morning
And when the oceans rage
I don't have to be afraid

Who taught the sun where to stand in the morning?
Who told the ocean you can only come this far?
Who showed the moon where to hide 'til evening?
Who sings alone can catch a falling star?
I know my Redeemer lives
All of creation testify
