YES, WTA buses go there!

This map shows a few of WTA’s many bus routes. Once you’re on a WTA bus, you can connect to any other bus and go all over town and out in the county. The first step is to get on the bus that’s closest to your home or work. Then make one of the super easy bus trips described in this brochure. You’ll see how it works on your first trip. By your second trip, you’ll be a pro!

**The first step:**

Call 360-676-7433 and ask where you’ll find your nearest bus stop to catch a bus headed either to downtown’s Bellingham Station or to Cordata Station. Ask which route serves that stop and the times that the bus comes by. Make note of the bus route and pick a time when you’re going to catch the bus.

Riding the bus is easy.

Some things are easiest to learn by doing. Riding the bus is one of those things. Try it today!

1. Put five $1 bills in your pocket.
2. Walk to your closest bus stop, where you can ride to downtown’s Bellingham Station or Cordata Station.
3. When the bus stops for you, board the bus and feed $1 into the slot, just like a vending machine.
4. At Bellingham Station or Cordata Station, choose a super easy bus trip and find where that bus will depart.
5. Ask questions at the information booth. That person is waiting to help you.
6. Board the bus you chose and pay $1.
7. Ask the driver to let you know when you’re close to the stop nearest your destination. They also want to help you.
8. Pull the yellow cord when you want to get off the bus. The driver will stop at the next bus stop.
9. Get back on the bus at the same stop. Pay $1. The bus will return to Bellingham Station or Cordata Station.
10. Ride the same bus (step 3) from the station back to your home or work. Pay $1.
