## Women Suffering in Silence

WiW Ministry Partners in the Middle East took to heart the cry of WiW women in India who are suffering in silence as they watched our recent "Open Windows Virtual Celebration." They responded by offering a Lay Counselor Training Course titled "Suffering in Silence" to our WiW ministry leaders throughout Asia through Zoom gatherings each Friday morning. Pray that God will continue to bless this ministry of equipping women in Asia to be His Hands and Feet in these difficult days.

Pray Psalm 42 for these women:

Why, my soul, are you downcast?  
Why so disturbed within me?  
Put your hope in God,  
for I will yet praise him,  
my Savior and my God.
