### HONORING MOTHERS

Thank God for the joyful privilege of worshipping Him! Pray that our ministry partners in Algeria will once again have access to worship in their churches.

The government closed 90% of the Christian churches in 2019 and recently closed 3 out of the 4 churches that remain open.

Pray for the women arriving for our Middle East Spiritual Formation Training Retreat in the Middle East to have safe travels both to and from.

Ask God to provide, and open their eyes to the way He invites us into relationship with Himself and transforms communities, countries and all of us as He does.

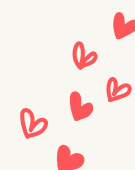

Essentials Bible Study is now fully translated into Bengali and Nepali.

Pray for the final edits and publishing for this Bible study in these Muslim and Hindu dominant nations that it will help women and girls understand that God intends for each one to live a meaningful life and leave a lasting legacy.

Amevina Care is launching the Young Women's Academy Internship in West Africa.

Pray for each young woman to increase her vocational skills as she works towards certification in the "Biz in a Box," program and for her to grow in the grace and knowledge of our Lord Jesus and His love for them.

Nyanam International is preparing for a Fish Farm training project this month in Kenya AND onboarding 700 more widows into their Life-giving program in early May.

Women in the Window will provide 700 Bibles, one for each new widow.

Pray for God to prosper them financially and spiritually.

We are grateful for friends in the USA who strongly support Women in the Window International with their time as volunteers.
