Women in the Window is launching our new ambassador ministry this Fall. God has called us to be His ambassadors, bringing love, joy, peace, and TRUTH to the nations. A WiW Ambassador will be on assignment in her community, helping friends and family, and especially those in her church, to embrace the work of WiW! Pray with us for this new endeavor AND let us know if you're interested in becoming a WiW Ambassador.	JOIN WiW as a Soul Supporter during our Summer Splash – Every first donation will be doubled by a generous match! PRAY for 50 new Soul Supporters to join us as monthly donors so that we can continue and increase our reach into Africa, Asia, and the Middle East.  Help us make waves of impact!!	Uganda – Our ministry partner leader, Mama Paula Achan, is headed back to the refugee settlement to follow up with the women who recently received our WiW Leadership Development Training. These stalwart leaders are fully devoted to Christ, and in spite of their dire circumstances, to bringing His life to everyone within their reach. Pray with us for a fruitful follow-up visit that is encouraging and empowering. 	Pakistan lies at the very heart of the unevangelized world. Over 350 people groups and castes in the nation are unevangelized. Pakistan is the world's second-largest concentration of unengaged, unevangelized peoples and the second-largest Muslim population. We PRAISE God for a new partnership in Pakistan launching in 2026. Please rejoice with us and pray for the finishing touches on the translation of Essentials into Urdu, their national language.	Friday, November 14th – A Night of Worship and Giving: with joy and expectancy we announce Triumph of the Heart. This night of worship and giving will allow us to continue our work training women in spiritual formation, leadership development, business and economic development, preventative health education, and human rights. Pray for God to bless all aspects of Triumph & for our speakers from North Africa to receive their visas! 	The Bible doesn't shy away from the reality of war, and the warning that before the 2nd appearing of our Lord & Savior, wars will increase. But that doesn't soften the suffering it causes. Will you join us for our First Friday Prayer Gathering, Friday, August 1st, as we welcome WiW ministry partners from the Middle East, Africa and Asia who have suffered through war in recent days? Your presence and prayers will mean so much to them!	We will gather at the new Tamarind House of Prayer located in downtown West Palm Beach to pray for each ministry partner, volunteer and supporter. We are gathering their prayer requests now as we prepare for one of our favorite days of the year— JOIN us on Saturday, September 6th from 10 to 12 Noon at THOP. Food and fellowship will follow a beautiful time of praise, prayer and Communion together!
