Because of YOU and your generous support, Women in the Window is able to assist our partner ministry in Egypt as they serve refugees from Sudan with the purchase of a sewing machine for 40 Sudanese refugees!

Praise God for your generosity that provides their livelihood!

We are thrilled to announce that Essentials has now been translated into Urdu for women across Pakistan.

Pray for the next steps following translation: proofing, publishing and printing to be a smooth process. And for our partnership with the Pakistan Bible Society to multiply this resource!

Help us increase our impact by praying for women’s ministry groups to grow across the USA!!

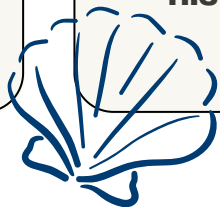

Pray for favor and creativity as we discover even more ways to connect women across cultures and generations here at home –

Acts 1:8, “You will receive power and ... be My witnesses.”

Rwanda is the host nation for our WiW & African Enterprise conference as we gather women from a dozen Sub-Saharan African nations this June.

Rwanda has historical significance: the genocide (1994) and a mighty revival (1936).

Pray that this WiW conference will have historical impact!

Thanks to you, WiW has raised the funds necessary to provide Trauma Healing training for Hilltribe girls in Bangladesh.

Neighboring tribes assault these young women. Our ministry partners provide a safe haven and in partnership with WiW, they learn how to find healing in the love of Christ.

WiW continues to grow across the subcontinent of India as we serve women in several states and from various castes.

Dahlit women respond with joy and gratitude to the health trainings offered in their villages.

Pray for understanding and multiplication to both change and save lives!

WiW will partner with 3 ministry partners and head to the Kiryandango Refugee Settlement this month.

Pray for the sweet aroma of God’s triumphant presence to go before them, and to linger long after they leave, and that their training will enable women to start new ministry initiatives.
