VISION 2033

Pray that God would open doors for new church partnerships and strengthen existing relationships, allowing WiW to continue expanding the reach of the Gospel through women around the world.

"Two are better than one, because they have a good return for their labor." Ecclesiastes 4:9

Praise God for our faithful Ministry Partners continuing to serve the Lord despite various challenges. Special praise for the recovery of our dear partner and friend in Lebanon. Pray for the gospel to advance in the region amid ongoing instability. Pray also for discernment and guidance as WiW seeks new partnerships in the region.

"I will instruct you and teach you in the way you should go; I will counsel you with my loving eye on you." (Psalm 32:8)

Glory to the God of every grace who has been sustaining and using in wonderful ways our Ministry Partners in North Africa. Pray for the completion of printing and distributing Essentials in a local language that many women may be blessed through it as they dig deep into God's Word.

May the favor of the Lord our God rest on us; establish the work of our hands for us — yes, establish the work of our hands. (Psalm 90:17)

Praise God for participants in WiW's trainings in India and Bangladesh who have been applying and multiplying what they learn. Pray for a well project that will be implemented in Bangladesh to bring clean water to bodies and the Living Water to souls. Pray also for a Heart (spiritual formation) training for 25 leaders in India.

And let the one who is thirsty come; let the one who desires take the water of life without price. (Revelation 22:17)

How wonderful to see women able to forgive hard, and at times ongoing, offenses and to be agents of peace after having participated in WiW's Peacemaking training in Uganda. Others applied what they learned in Hands training and are now able to send their children to school. Pray for ongoing efforts to launch Community Transformation Group (CTGs) in Ghana.

"... like a mustard seed, which is the smallest of all seeds on earth. Yet when planted ... [it has] such big branches that the birds can perch in its shade." Mark 4:30-32

Praise God that we have received and confirmed the travel information for our ministry partners who will be joining us in the U.S. for our December 3 luncheon! Pray for smooth travel preparations and logistics as we look forward to welcoming them and hearing how God is working through their ministries and partnership with WiW.

"Therefore encourage one another and build each other up..." 1 Thessalonians 5:11

Pray for wisdom and discernment as WiW develops and implements its strategic plan—Vision 2033. Ask God to guide each decision, align our plans with His purposes, and give our team unity as we seek to faithfully steward the ministry He has entrusted to us.

"Many are the plans in a person's heart, but it is the Lord's purpose that prevails." Proverbs 19:21
