Description

Your Property Success Podcast reveals the practical steps to investing successfully in today's property market. Respected author and experienced property investor Jane Slack-Smith interviews Australia's most trusted experts and reveals how she herself has built a multimillion dollar property portfolio using a very simple, low risk method. Jane is joined by experienced renovator and property developer John Hubbard. Together they explore real 'boots on the ground' case studies and the renovating for profit techniques used by successful investors.
