Yoga Alliance Professionals – Benefits of Registering with them after a Yogakidz Worldwide Training Course

Yogakidz Worldwide graduates that have done the Children's yoga and/or Pre & Post Natal Training (all weekends) you can register with Yoga Alliance Professionals and use a number of their resources in promoting and supporting your classes/work.

If you are qualified yoga teachers and members with Yoga Alliance already, you obviously wouldn't have to pay the full membership fee, you could add their new qualification for a one off admin fee and you would receive the new logos, your profiles will be updated with your new qualification as will the search criteria if someone looks for a Children's Yoga Teacher and/or Pre & Post Natal Yoga Teacher.

If someone does not have a yoga qualification, but they completed the course to implement yoga in their daily work with children/pre& post-natal (teachers, nurses, midwives, social workers etc.), you can join Yoga Alliance Professionals as affiliate members. Same prices apply.

The benefits of membership with Yoga Alliance Professionals are:

- Rights to use their internationally recognised logos for your website, social media and marketing materials
- Listing on the Yoga Alliance Professionals website, use this to promote yourself and show the general public that you have been trained to a high level
- Help on a career path, to make your passion your profession
- Fantastic discounts at the YA Store
- Annual members magazine
- Business and marketing support and advice.
- Regular newsletters
- Access to Yogi Members (free membership for yoga practitioners) to invite you to workshops, classes etc.
- (- free ticket to the OM Yoga Shows - until further notice)
