

UltraPro™ & UltraMax™

»»» Above-Ground Pump Series

QUALITY BUILT AND ENGINEERED FOR YEARS
OF EFFICIENT, DEPENDABLE SERVICE.

Above-ground pumps that truly raise the bar.

KEY FEATURES

- » **Exclusive swing-away hand knobs** make for easy strainer cover removal
- » **See-through strainer cover** lets you see when the basket needs cleaning
- » **Extra-large debris basket** provides added leaf-holding capacity for less frequent maintenance

QUICK & EASY INSTALLATION

The UltraPro™ and UltraMax™ above-ground pool pumps advanced design provides simple access to all internal parts for fast installation and maintenance. And with exclusive swing-aside hand knobs, strainer cover removal is quick and easy.

DURABILITY & LONG LIFE

An extra-large debris basket provides added leaf-holding capacity and requires less frequent maintenance, while the see-through strainer cover makes it easy to see when the basket needs cleaning.

SUPERIOR RESULTS

UltraPro and UltraMax above-ground pool pumps have been quality-built and engineered to provide years of efficient, dependable service. The heavy-duty, high-performance motor provides quiet operation and is built to last.
