# Spiral Rug

crocheted with fabric strips

## How to Cut Fabric Strips

### STEP 1

Fold fabric in half, bringing the selvage edges together and making sure they are even. Fold again in this direction, bringing the center fold up to 1/2" below the selvage edges.

### STEP 2

Using a rotary cutter, cut fabric strips, cutting through the folds, but NOT through the selvages.

Tip: don't worry if the lines are not too straight, it will not show.
