

*If God can
transform the
greatest evil into
the greatest gift,
then He intends to
transform whatever you're
experiencing now
into a gift.*

CHRISTMAS
IS ABOUT GOD'S DOING
WHATEVER IT TAKES
TO BE WITH US -
AND OUR JUST DOING
WHATEVER IT TAKES
TO BE WITH HIM.

*This is the
truest love story
of history.
and it's his story
and it's for you.*

The Greatest Gift

GOD WHO HUNG
THE STARS-
HE HAS TAKEN A
THREAD OF HIS HEART
AND TIED IT TO YOURS.

*“You get the Christmas
you’ve always wanted & dreamed of—
because you get Jesus—
and He wants you & loves you
more than you could ever dream.”*

-Ann Voskamp

*“Through the dark of Advent,
there is hope that whispers:
God is here.”*

OUR GOD

who breathes stars in the dark—
He breathes Bethlehem's Star,
then takes on lungs & breathes in stable air.

We are saved from hopelessness,
because God came with infant fists &
opened wide His hand to take
the iron-sharp edge of our sins.

OUR GOD

who delivers the heavens—
He waits patient like an embryo in a womb
& delivers Himself to free you.

OUR GOD

who cradles whole galaxies
in the palm of His hand,
whom highest heavens cannot contain—

He folds Himself into our skin, & uncurls
His newborn fingers in a barn feeding trough—
and we are saved from ourselves.
