

# Welcome to Emergency and Urgent Care 9<sup>th</sup> Edition

Welcome to the American Academy of Family Physicians' self-study curriculum. This activity is part of an overall curricular framework focused on topics important for family physicians. Like all AAFP-produced CME, it is evidence-based, free from influence, and developed by family physicians.

For information on additional educational products available from the AAFP, go to [www.aafp.org/cme](http://www.aafp.org/cme) or call our Member Resource Center directly at (800) 274-2237 (M-F).

## Learning Objectives

At the end of this activity, participants will be able to:

1. Prepare treatment plans for patients who present to emergency departments and/or urgent care clinics.
2. Evaluate, diagnose, and treat patients with acute health needs affecting any number of body systems, including cardiovascular, respiratory, neurological, maternity, psychological, or musculoskeletal conditions.
3. Incorporate emergency plans into practice, including written protocols and necessary equipment/tools for treatment.

## CME Credit Information

To obtain CME credit, view the presentations and complete the post assessment and evaluation online for each session before 04/08/2022.

**This Enduring Material activity, Emergency and Urgent Care 9th Edition, has been reviewed and is acceptable for up to 32.25 Prescribed credit(s) by the American Academy of Family Physicians. Term of approval begins 04/09/2019. Term of approval is for 3 year(s) from this date. Physicians should claim only the credit commensurate with the extent of their participation in the activity.**

**The AAFP is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.**

**The American Academy of Family Physicians designates this Enduring Material activity for a maximum of 32.25 AMA PRA Category 1 credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.**

**CME activities approved for AAFP credit are recognized by the AOA as equivalent to AOA Category 2 credit.**

### **AAFP Members**

AAFP members are eligible to receive AAFP Prescribed credit. At the end of each session, members may complete the post assessment and evaluation; the credits will then be added to the member's CME record.

### **Nonmembers**

Nonmember physicians are eligible to receive the *AMA PRA Category 1 Credits<sup>™</sup>* on completion of the online post assessment and evaluation. Nonmember physicians are responsible for reporting their own credit when applying for the AMA Physician's Recognition Award or other certificates or credentials. Healthcare professionals who are not physicians are eligible to receive CME credits on completion of the post assessment and evaluation. These individuals are responsible for reporting the CME credits to their professional organizations. To obtain a letter of participation that serves as documentation for completion of the activity, visit [www.aafp.org/cmecertificate](http://www.aafp.org/cmecertificate) and then select "print" next to the activity listing.
