**Note:**

- Chapter 15 is a chapter added to the Bankruptcy Code by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005. It is the U.S. domestic adoption of the Model Law on Cross-Border Insolvency promulgated by the United Nations Commission on International Trade Law ("UNCITRAL") in 1997, and it replaces section 304 of the Bankruptcy Code. Because of the UNCITRAL source for chapter 15, the U.S. interpretation must be coordinated with the interpretation given by other countries that have adopted it as internal law to promote a uniform and coordinated legal regime for cross-border insolvency cases.
- If the sum of the quarterly filings is slightly lower than the annual total, it is because of joint cases that are split during a later quarter, and because a small number of cases are processed after the end of a reporting quarter.
