

# Database/GIS/Web Site Update

May 23, 2006

# GIS/Database

- [www.southernriverscienceteam.org](http://www.southernriverscienceteam.org)
  - Requires ID/PW to get to GIS and data
  - Under Member Login
- Up and running with data through 2005
- Searchable document library
  - Don's CD content plus Feb meeting presentations
  - Will be updated after each meeting
- ftp site available for large files

# Public Web Site

- Still in very draft form
- No comments received after last meeting
- Will be updating over next few months
