

Titus: The Wonderful Grace of Jesus

Titus 2:11 – 15

Pastor Brad McGuire

What fuel has God supplied to feed my faith and stoke my daily obedience of
Jesus' commands?

1. God has shown me His grace...
 - a. This grace opened my eyes to see my true spiritual condition and need of a Savior.
 - b. This grace led me to see the beauty of Jesus.
 - c. This grace ministers to me in every phase of my life.
2. His grace instructs me as my personal tutor.
 - a. To deny ungodliness.
 - b. To live.
 - c. To look for.
3. His grace calls me to speak, exhort and reprove these truths to others so that they too might experience the all satisfying joy found in knowing Jesus.
