

## I Am A Christ Follower: I'm Connected

Romans 12:4 – 6

Pastor Brad McGuire

- A. I am a Christ Follower – What does that mean?
- B. Believers are connected one to another just like the human body.
  - a. Jesus has one body here on earth that all born again followers of Jesus are included in called the Church.
  - b. Jesus' visible body here on earth – the local church – is made up of many members.
  - c. Each member possesses equally important but varied gifts that must be exercised.
- C. Our connection to Jesus is eternally secure, but our connection with one another is a daily choice.
