

### Things to Know:

- Received over 26,000 surgical patients in the past year.
- Ranked in 6 pediatric specialties, based on *U.S. News and World Report's* 2024-2025 rankings, including cardiology & heart surgery, and nephrology.
- One of the largest pediatric medical center in the US
- One of only 14 children's hospitals nationwide to utilize 3D V-Pod Sensory Pain Distraction System to provide distraction for patients undergoing painful treatment and also enhance the rehabilitation process.

Children's of  
Alabama

1600 7<sup>th</sup> Ave. S.

Birmingham, AL  
35233

By providing private patient rooms, dedicated operating suites and play therapy rooms Children's Alabama puts the patient and family at the center of the care team and bring the finest in medicine, technology, and compassion to each child.

The Benjamin Russell Hospital for Children consolidates all pediatric transplant services under one roof eliminating some of the stressors of hospitalization and treatment, by providing immediate access to the patient's needs in a child-friendly environment. This also allows the physicians and transplant team to provide the best possible care to the children who visit for life-saving surgery and treatment.

### Children's of Alabama Procedures

- Offering heart, liver, kidney, allogeneic and autologous transplant procedures

#### Ear, Nose and Throat Surgeries

- Offering unilateral and bilateral cochlear implantation, sleep study services

#### Gene Replacement Therapy

- Offering Kymriah Acute Lymphocytic Leukemia

The Accarent Health Network provides access to a network of nationally recognized hospitals and highly rated academic medical centers. You will have the ability to compare Accarent Bundled Rates where each center participating in the network quotes the same plan parameters for each offered procedure ensuring you are truly comparing 'apples to apples.' You can then commit to a procedure with a clearer understanding of what you've signed up for.

Accarent offers case management, concierge services, and a travel benefit to ease your worries and ensure your experience goes as smoothly as possible. The result? Healthy patients who are happy with their care at reasonable prices.

Check with your plan administrator to see if you can save on patient deductibles and co-pays through the Accarent Network.
