

Twin Lakes Church Prayer Update-2/2/2023

PRAISE

Jeff and Martha Denny-their 9 month grandbaby, Penny diagnosed with a neuroblastoma tumor. After months of treatment, including four chemotherapy sessions and one blood transfusion her tumor shrunk by 87% so no surgery should be needed! She will be closely monitored, but no more treatment is recommended. Thank you for praying!!

HOME WITH THE LORD

Marlene Rutledge-just a little over a month after her husband, Dale, passed away, Marlene too has gone home to be with the Lord.

TLC, MISSIONS, OUTREACHES & MINISTRIES of Santa Cruz.

Please pray for **World Outreach Week - Feb. 4-9!** We will have 15 of our global partners with us and we are hoping they can connect with a lot of people in the congregation. Pray specifically that people will sign up for our Dessert and Dialogue events. Pray for great connections and conversations.

Continue to pray for **Tarak and Eileen Khan who serve in Israel and Sri Lanka**. They will be traveling to Israel in March. Pray for their preparations as they will visit the two churches in Nazareth where they help families and children. Pray for the economic situation in Sri Lanka. Inflation, food price increases, lack of jobs, fuel and medicine. Many children are not going to school because they are forced to work and support their families.

Remember **Johan and Christa Combrinck serving in South Africa**. The country continues to have many blackouts and few hours with electricity. It makes it difficult to get work done. AFnet has also sold their property in Pretoria and will need to move their office. Pray they are able to find a suitable place and the move goes smoothly. Also pray for them as they have some serious decisions to make regarding their own long-term plans of finding a place where they can settle their family in the States, before the grandchildren have to start their next academic year.
