Our Speaker

Cindy has faithfully served alongside her husband, Steve, in ministry for more than 30 years in Key Largo, Florida, where Steve pastors Key Largo Baptist Church (BeaChurch). Together, they have watched God grow their church from a small congregation into a thriving ministry and have seen countless lives transformed by the gospel.

Cindy Vetter

Cindy is passionate about helping women grow in their walk with Christ. She teaches a weekly women's Bible study, writes much of her own curriculum, and serves as Music Director at her church. As a pastor's daughter, she developed a lifelong love for leading others in worship and pursuing excellence for God's glory.

Cindy and Steve have three grown children and four grandchildren. She is also Naomi Widmer's sister, making it an extra special joy to welcome her as our retreat speaker. We look forward to hearing what God has laid on her heart to share this weekend.

Sessions

In a world that constantly reminds us of what we lack, God invites us to discover the truth of His abundance. We will explore the powerful biblical account of the five loaves and two fish, where Jesus took what seemed insufficient and multiplied it to meet every need.

*So often we feel inadequate for the tasks before us – whether in serving others, enduring difficult seasons, or simply continuing the journey of faith. Yet this story reminds us that when we place what we have into Jesus' hands, it becomes **more than enough**.*
