#### Nursery School News

The Nursery School is currently enrolling for our fall school year program. We still have a few openings in our threes and fours programs. Contact Lani Hoffmann for an enrollment packet and to set up a classroom visit. <a href="www.RUMNS234@gmail.com">www.RUMNS234@gmail.com</a> or

443-996-9375.

We are delighted to be seeing our program grow over the past few years, especially coming back from COVID. During those years we had a number of changes to regulations, as well as a new inspector come on board. Our regulations have gotten tighter and we are being held to a higher standard. One of our regulations, with regards to the space we use can be found in COMAR 13A.16.01-.17

We operate to the letter under COMAR. According to our Licensing Specialist, we are to treat anyone in the area who is not on our Staff form and fingerprinted/background checked through the Office of Child Care as an independent contractor. Thus:

"(2) Unless documentation is on file at the facility that an independent contractor performing a service at the facility has successfully passed federal and State criminal background checks and a review of child abuse and neglect records, remain within sight and sound of the contractor whenever the contractor is in an area of the facility where children are present."

While we know this is an inconvenience, we are committed to the safety and security of our children, and seek to treat everyone equally while following these laws. For that reason, the space we use is locked during the hours we have children in care and anyone in the space who is not approved with Childcare needs to be accompanied by a staff member.

We continue to meet these standards with another perfect inspection this past year and thank all of you for your support and continued patience, and we promise to continue to make the church and community proud of Reisterstown United Methodist Nursery School.

She's also on the run. Find a future, lose a past.

Nashville is where she's come to claim her destiny. It's also where the darkness she's fled might find her. And destroy her.

#### FOR THE YOUNG AND YOUNG AT HEART

### Sprinkle and split

A sprinkle of pepper and a dab of soap illustrate a big concept from God's Word.

#### What you need:

- Shallow dish
- Water
- Black ground pepper
- Toothpick
- Dish soap
- · Bible

#### What you do:

- With the dish on a table, fill it halfway with water. Don't jiggle the dish.
- Sprinkle pepper on the water.
- Dab the toothpick into a drop of soap. Then touch its tip to the center of the water and observe.
- 4. Read Psalm 103:8-12. How does this experiment illustrate God's forgiveness?
- 5. Explain the science behind this experiment: The soap disturbs the water's surface tension. The soap molecules don't want to interact with the water. This repels the water molecules from the soap, causing the floating pepper to also move to the sides.

Use simple ingredients and your imagination to bake these fluffy, cloud-like treats.

#### What you need:

- · 3 egg whites
- ½ tsp. vanilla extract
- Mixer
- 1 Tbsp. cornstarch
- Parchment paper

#### What you do:

- Preheat oven to 300°. In a mixing bowl, combine egg whites and vanilla. Mix at medium speed until frothy.
- While whisking, gradually add sugar and cornstarch. Keep whisking at high speed until stiff peaks form.
- 3. Spoon mixture onto a baking sheet lined with parchment paper. Create fun shapes.
- 4. Bake 20 minutes. Cool and enjoy!
