INFORM THE HEAD / STIR THE HEART

1. Why do you think the Jews kept asking Jesus if He was the Messiah, even though He told them and showed them over and over again? What do you think they were looking for that they weren't seeing?

2. How did Jesus describe His sheep? How does His description point to relationship versus religion?

3. Please describe the hope Jesus gives for those who are His sheep. What do you especially find helpful to know about that and why?

4. What did Jesus say that made the Jews pick up stones to kill Him?

5. What tone do you think Jesus used when He answered the Jews? What does the way He answered along with what He said tell you about His character?

6. What reason did the people who followed Jesus give for why they believed Him (vs. 40-42)? How does their answer challenge us in what we say about Jesus? How can we be sure that what we say about Him is true?
