God Intended it for Good- Genesis 50

Lesson Summary- Flight Overview

In the last chapter of Genesis, Jacob passed away, which brought fear to Joseph's brothers. They thought since Jacob had died, now Joseph would punish his brothers for their past sins towards him. Joseph reassured his brothers God was working in all this. God used these things they meant for harm to bring good to the nation of Israel. Before Joseph died in Egypt, he reminded the Israelites of God's promise to have His people living in the promised land of Canaan. Joseph asked to be buried back in the promised land.
