

GAME ON!

God's Way

August 30, 2026

Lesson Summary:

In John 13:1-17, Jesus shared some of His last teachings with the disciples before going to the cross. Jesus always obeyed God the Father's plan. He knew the disciples still struggled with pride and did not fully understand what it meant to humbly serve others. Even though Jesus is the Son of God, He humbled Himself and washed the disciples' feet like a servant. The disciples were confused and a little **clueless** almost like the game **Clue**, where people are trying to figure things out! Jesus was teaching them an important lesson about love and humility.

By washing their feet, Jesus showed how much He loved them. It also pointed to the greatest act of love that was coming soon when Jesus would die on the cross for sinners. Jesus gave His disciples an example to follow. Just as Jesus served others with humility and love, we can also choose to serve and care for others.

Series Bible Verse:

Colossians 3:17

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.
